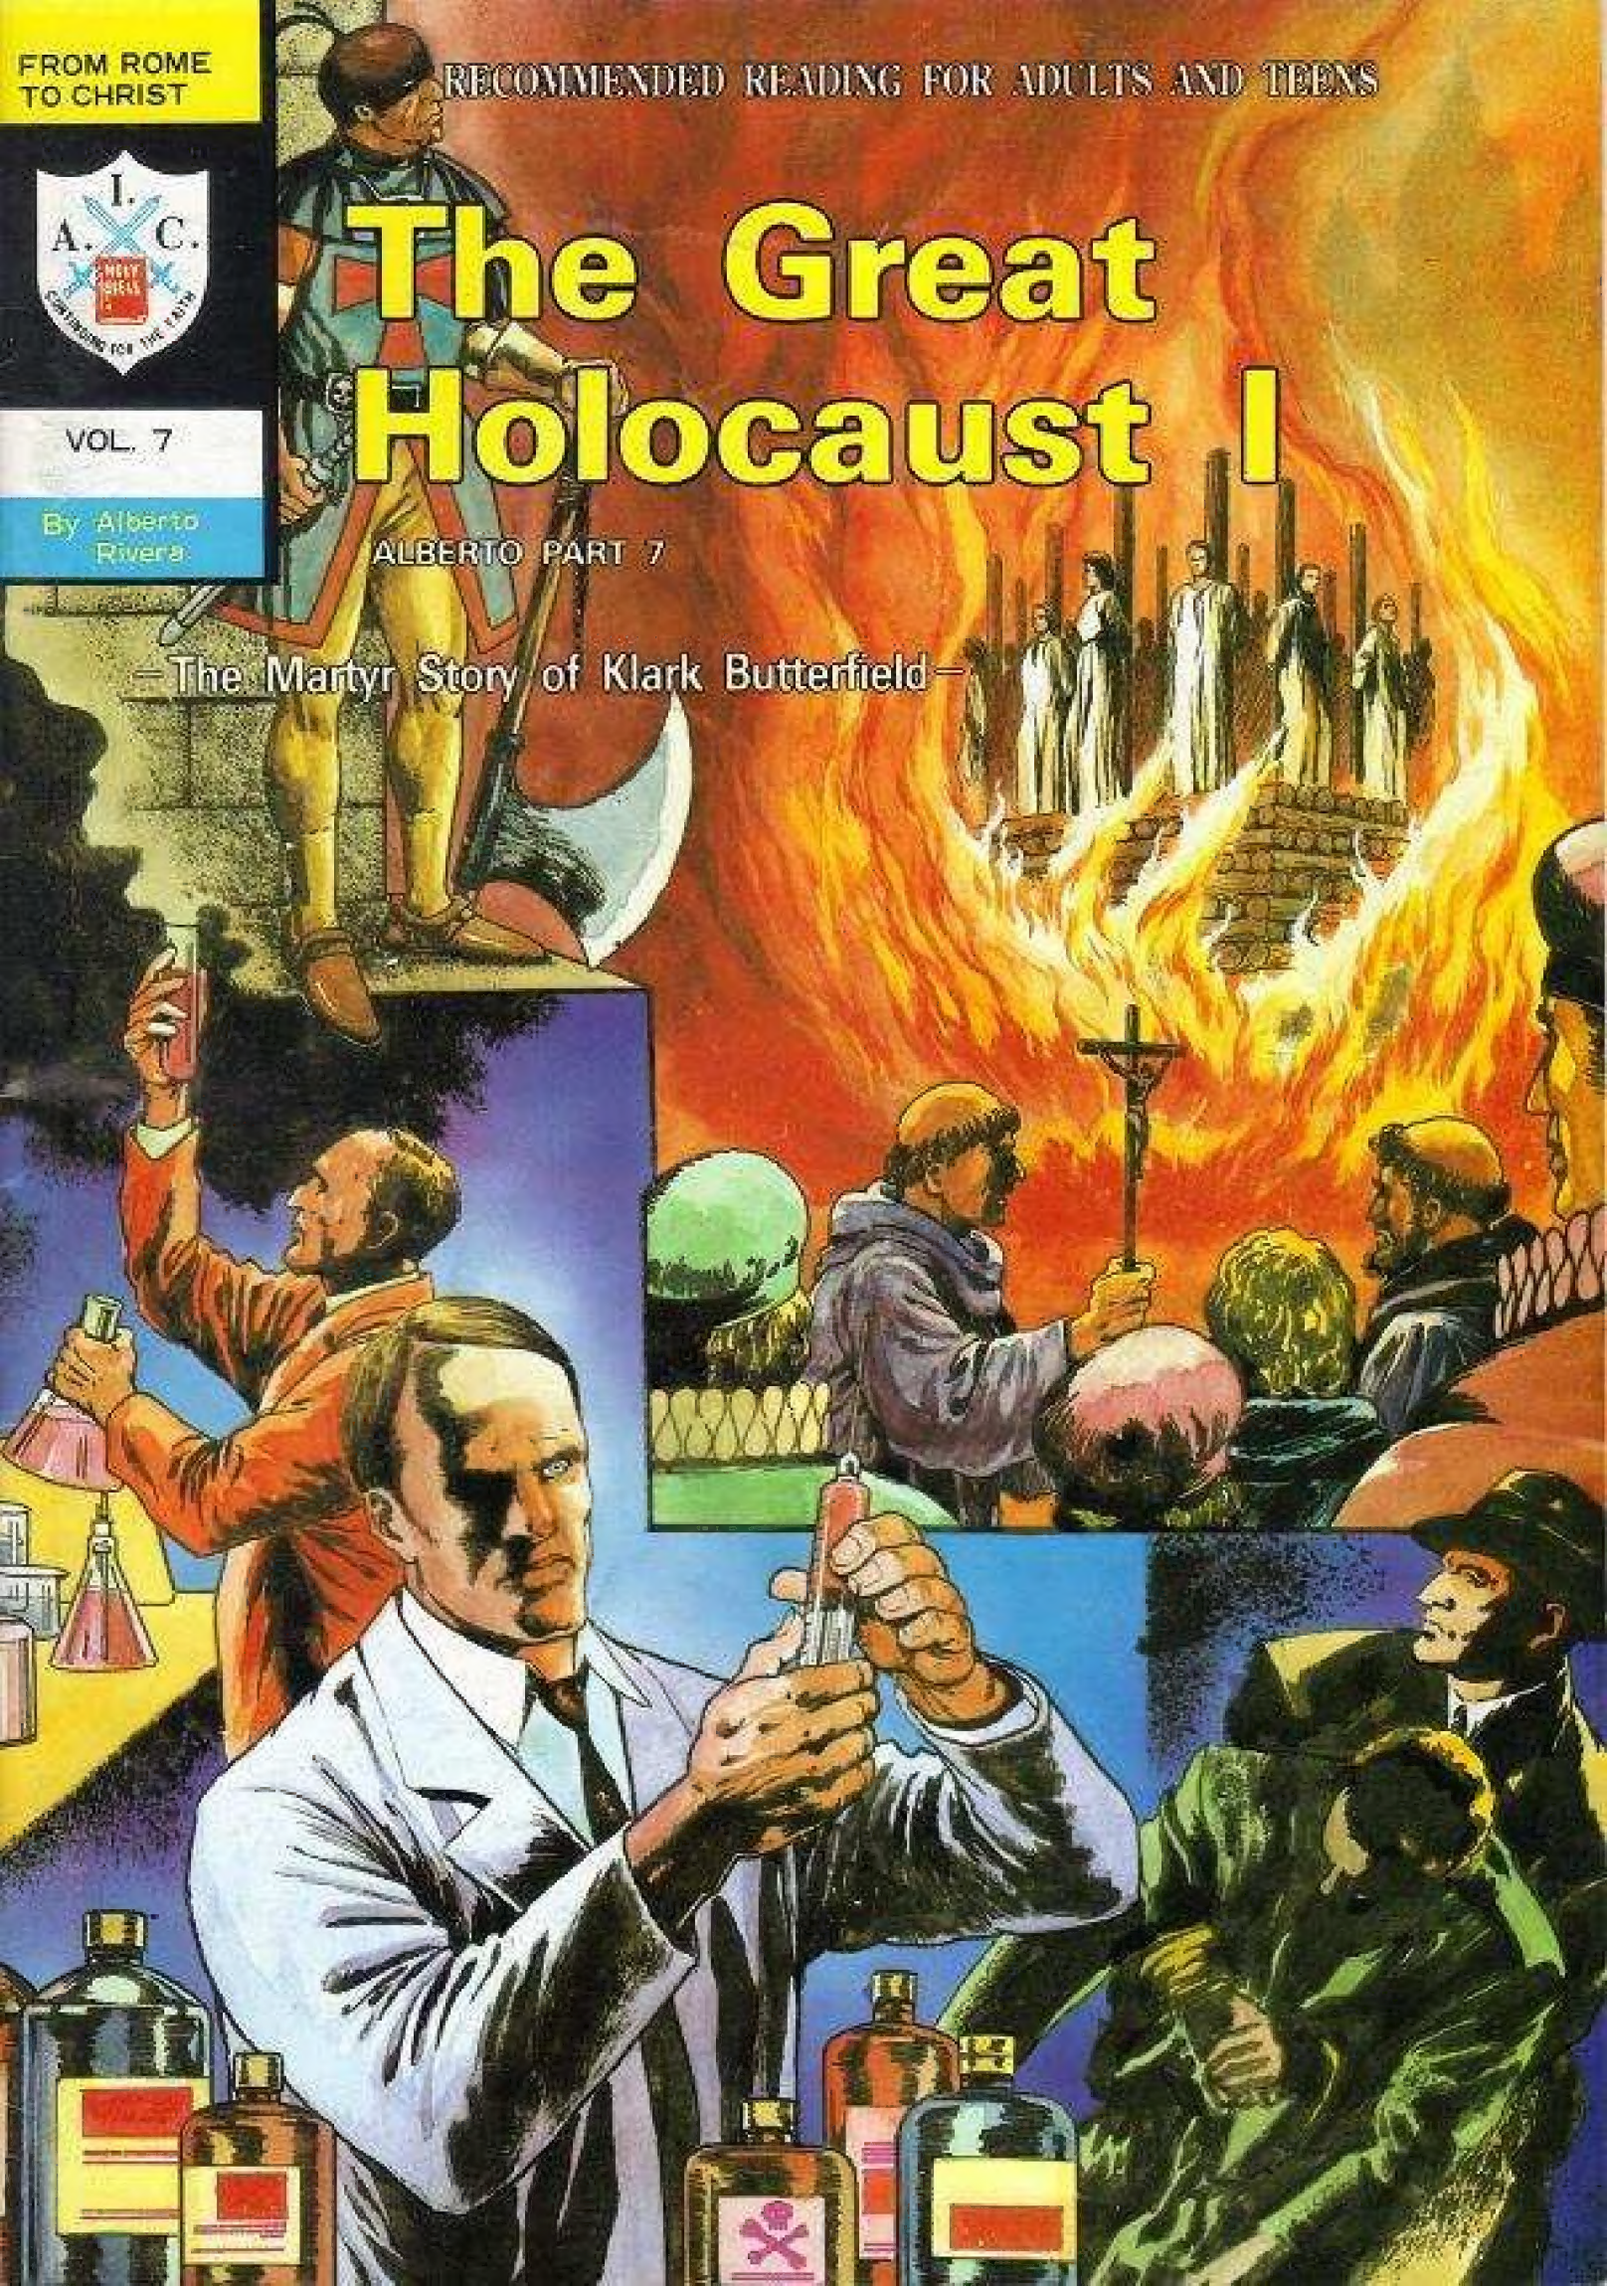
ALBERTO PART 7

—The Martyr Story of Klark Butterfield—



ALBERTO

The unforgettable story of a Jesuit Priest and his conversion to Christ.

Dr. Rivera was assigned to stay at the address on the above I.D. card pending the decision of his ecclesiastical trial in 1967, just before his conversion to Christ.

Above are some of the last photographs taken of Dr. Rivera as the Director of the Parish School in San Lorenzo, Tarrasa, Spain

Clark Butterfield
(Ex-priest)
"After reading ALBERTO I realized that I was not alone in my desire as a former priest to bring salvation to the millions of captives of the Roman Catholic system. I am honored to associate myself with the ministry of Dr. Rivera."

Oh! This is true?

Ah! I'm sending it to my friend, Clark Butterfield.

John was doubtful of contents of the book. He sent it to Clark.
John and Clark worked together for 1 year ago in Detroit.

EXPLAIN : Clark Butterfield used to be a Catholic priest but he left the Catholic system and priesthood because he found too many problems, inconsistences.
After that he working as counselor* in the police department of Detroit

Clark Butterfield. 19 80 after he was born again in the name of Jesus

* counselor : the person who works for solving problems that cops have like advisor many priest has psychology doctor degree. Also Clark had psychology doctor degree when he was working in the police department

Detroit, Clark Butterfield's apartment

Clark Butterfield, Could you write down signature?

O.K.!

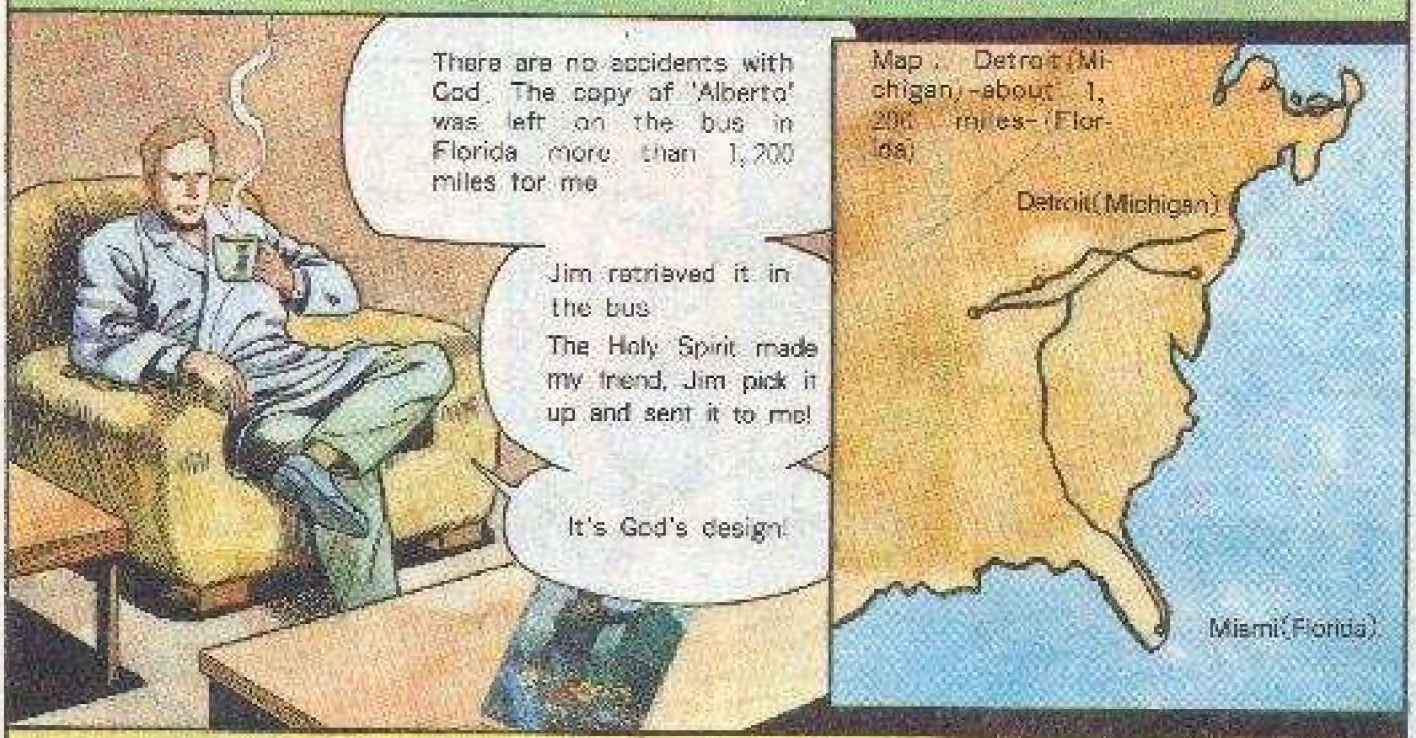
Oh! This is package from John.

(with surprise) This book contains much more what I know!

Clark Butterfield had already finished working his book containing his testimony* before reading "Alberto" He sent it to Moody Press, Jondervan, Baker House, Pathway. But all of them refused to publish

*Note : Night Journey··· p11, p202

All turned down the publishing of this book presumably because it would offend their marker of readers who, they feel, prefer message of ecumenicalism and charismatism rather than exhortation on truth without compromise. *Note : Night Journey… p?0?



There are no accidents with God. The copy of 'Alberto' was left on the bus in Florida more than 1,200 miles for me
Jim retrieved it in the bus
The Holy Spirit made my friend, Jim pick it up and sent it to me!
It's God's design

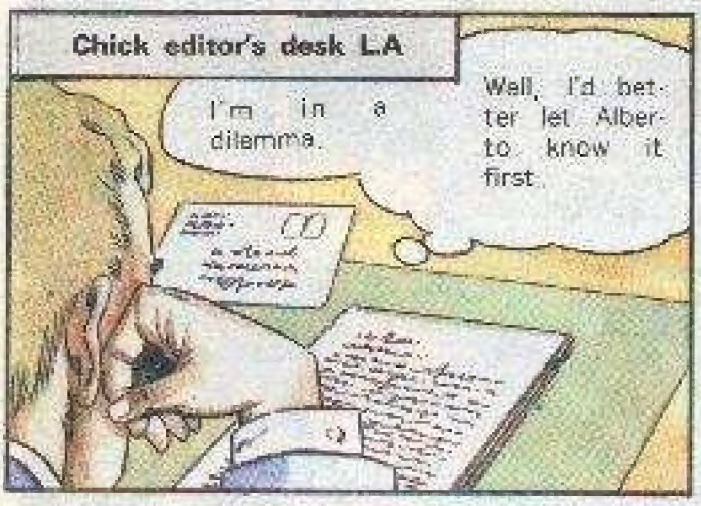
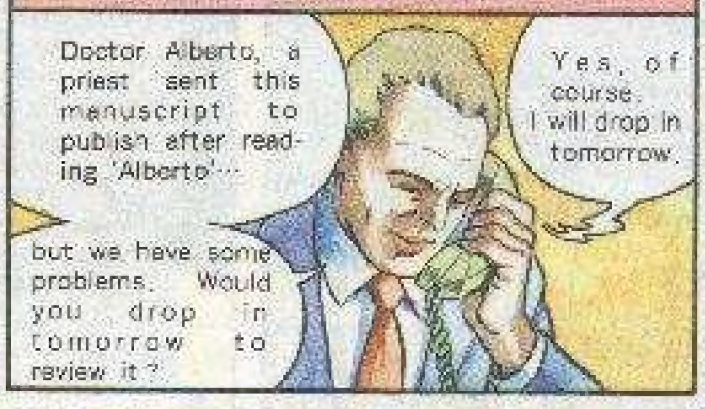
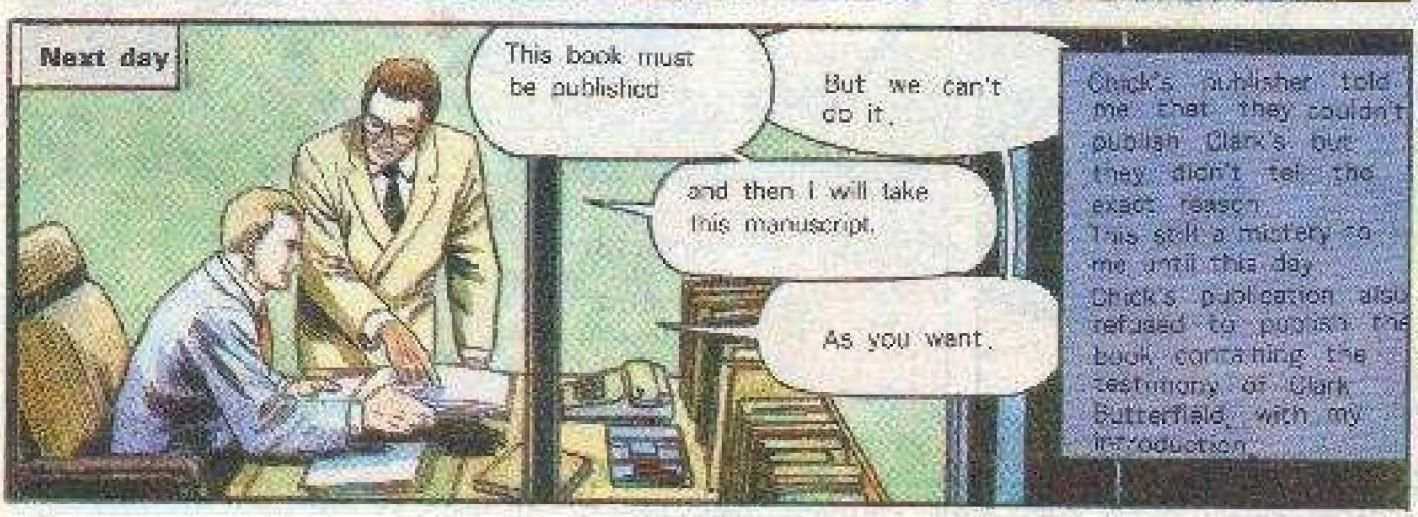
After reading 'Alberto', Clark was sure that Chick could publish his book of testimony and sent again this manuscript with a letter of self introduction.



Editor thought he should ring up Alberto to invite after he finished reading it.



Doctor Alberto, a priest sent this manuscript to publish after reading 'Alberto'…
but we have some problems. Would you drop in tomorrow to review it?
Yes, of course. I will drop in tomorrow.



Next day
This book must be published
But we can't do it.
and then I will take this manuscript.
As you went.
Chick's publisher told me that they couldn't publish Clark's but they didn't tell the exact reason. This is a mistery to me until this day. Chick's publication also refused to publish the book containing the testimony of Clark Butterfield, with my introduction.

Alberto thinks Clark's book is necessary for Catholic people to be reached with the Gospel.

Hello, This is Alberto Rivera. May I speek to Clark Butterfield?

This is he speaking, Dr. Alberto Rivera. Thank you for calling

'Alberto' was wonderful. It was greatly helpful to me.

(AL) Thank you. I read your manuscript already. "Night Journey from Rome" is fundamental and biblical. It must be published. I will talk about publication with you.

I'll write a letter in detail to you.

O.K. Good bye!
I hope to see you as soon as possible.

Me too. Good bye!

Following is his letter to Alberto.

Dear Alberto, I was recently given by a Christian friend a copy of "Alberto". It intrigued me.

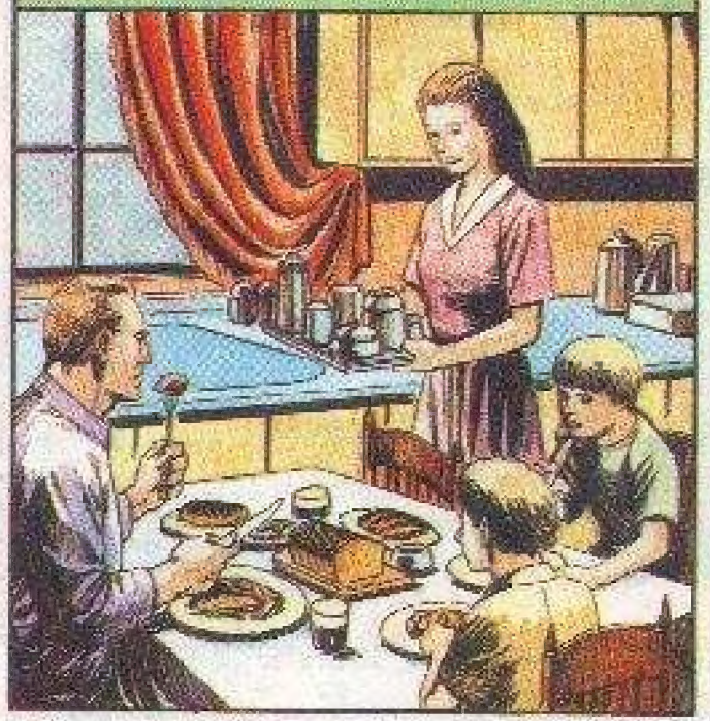
I am a former Roman Catholic priest. I abandoned Catholicism and the priesthood in 1973, with no scandal involved, and as a matter of conscience. Since that time I have been a civilian member of the Detroit Police Department. 2 years ago through the witnessing of a Christian police officer, I was led to rebirth in Christ and I became a born again evangelical Christian.

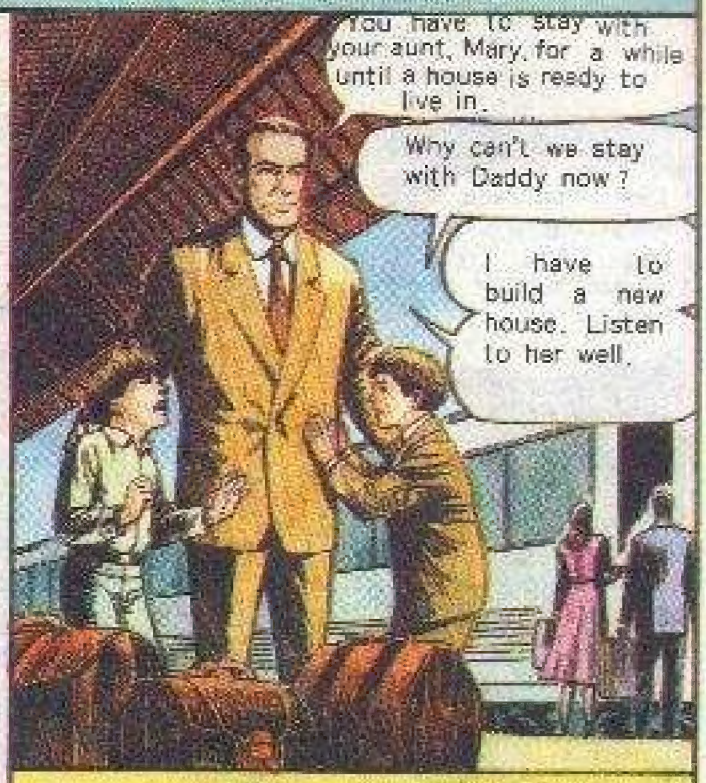
The manuscript which I sent to Chick's recounts my spiritual odyssey from Rome to the Cross and then sets out to demolish the pretensions, the human traditions, the heresies, the gross errors, and the arrogance of Rome.
I've submitted the manuscript to a couple of the major "Christian" publishing houses in U.S.A. but they refused to publish it. However I'm convinced that God will make it possible against all opposition.*

*A new edition of the book, under the name "Night Journey from Rome to the new Jerusalem" continue to be published by A.I.C.6

The following story is how Clark left Roman Catholicism and was led to true Christ, by his conversion to the gospel.

Clark Butterfield was born in Montana in U.S.A. His mother is fanatical Irish Catholic and father is Irish Scotch-English Presbyterian. * His parents got divorced when he was still little.





You have to stay with your aunt, Mary, for a while until a house is ready to live in.
Why can't we stay with Daddy now?
I have to build a new house. Listen to her well.

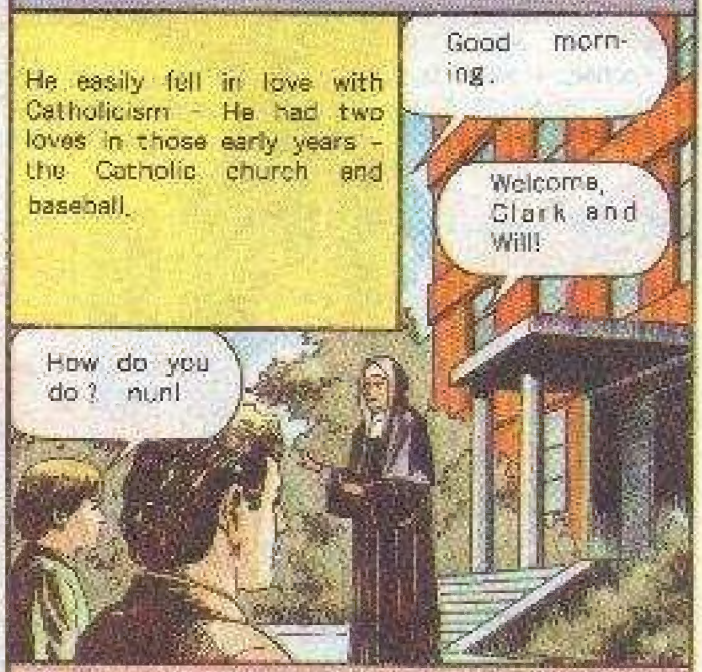
Then he moved to California with his brother.

*Request tape: "How people became R.C."-A.I.C. P.O. BOX 31340, Los Angeles CA. 90031

Aunt Mary was aggressively Catholic and was president of the Catholic Woman's Club of Los Angels. He was introduced first to the Catholic Church and then learned about Jesus and Mary. But Mary was more Preeminent than Jesus.

He started learning the Catholic doctrine very quickly.

He easily fell in love with Catholicism - He had two loves in those early years - the Catholic church and baseball.



When the next semester approached, Will and Clark were enrolled in St. Agnes parochial schools. He learned from nuns - reading, writing, arithmetic, even algebra and Latin. And their sincere but distorted concepts of Christianity were passed on to them.

Clark bagan to feel guilty feelings of his conscience in the early grade-school years. It afflicted him continually. Clark learned that the fact which Jesus Christ saved us from the evil as one of theories.

Once he became high school student, he knew many things about Catholic doctrines and line of descents. But his sins never disappeared.

Did I confess everything I had to? And the correct number of time?
Did I receive communion in the state of grace or was I condemning myself to hell by unworthy communions?
Did I consent to impure thoughts?

The list is endless and the guilt accumulated and extended its venom to all his working hours.

In his junior year in high school, he decided to become a catholic priest

Father, I want to be a priest in the future
You will be the first priest in our family in America.
If that's what you want to, you decide!

All the required documents for the Catholic bureaucracy and the necessary petitions was submitted to the subordinate missions of the Roman Catholic Archbishop of local jurisdiction.

Since your parents were divorced and your mother, the Catholic party remarried it would be a scandal to the faithful and you cannot be a candidate for the diocesan priesthood.

After finishing the school he applied and was appointed as a civilian technician with the air forces during World War II and spent the following 11 years overseas.

Some years later, Japan

At last, tomorrow I'll be home.

Well, I have to say good-bye to Marshall priest.

The day before he left Japan, he fell in deep agony. He couldn't trust Roman Catholic as before, and couldn't find rest.
He had no hope for salvation, or eternal life.

Don't tell me you're sad at leaving this place, Clark.

Oh, Father! You know I couldn't be sad about leaving this hole but I'm all in a mess about the faith and all that. I don't know what I should do now!

What about that lay apostolate work? You were so interested in back in the States.

Father Marshall (Irish) had worked as a air force priest. He was faithful.
Clark talked with him sometimes and enjoyed beer together.*

KNOCK KNOCK

Who is it?

Father Maher, it's Clark Butterfield.

Come in, please.

*Request tape : "The Vatican and Sports"

Clark! You aren't giving up the church.
You are just repelled by a lot of externals.

That will pass and God surely has something much better for you now.

Oh, Father, you've got it all wrong.

Clark! Come to your sense. Rip away the sham that has entangled you and turn to God. He wants you as His priest.

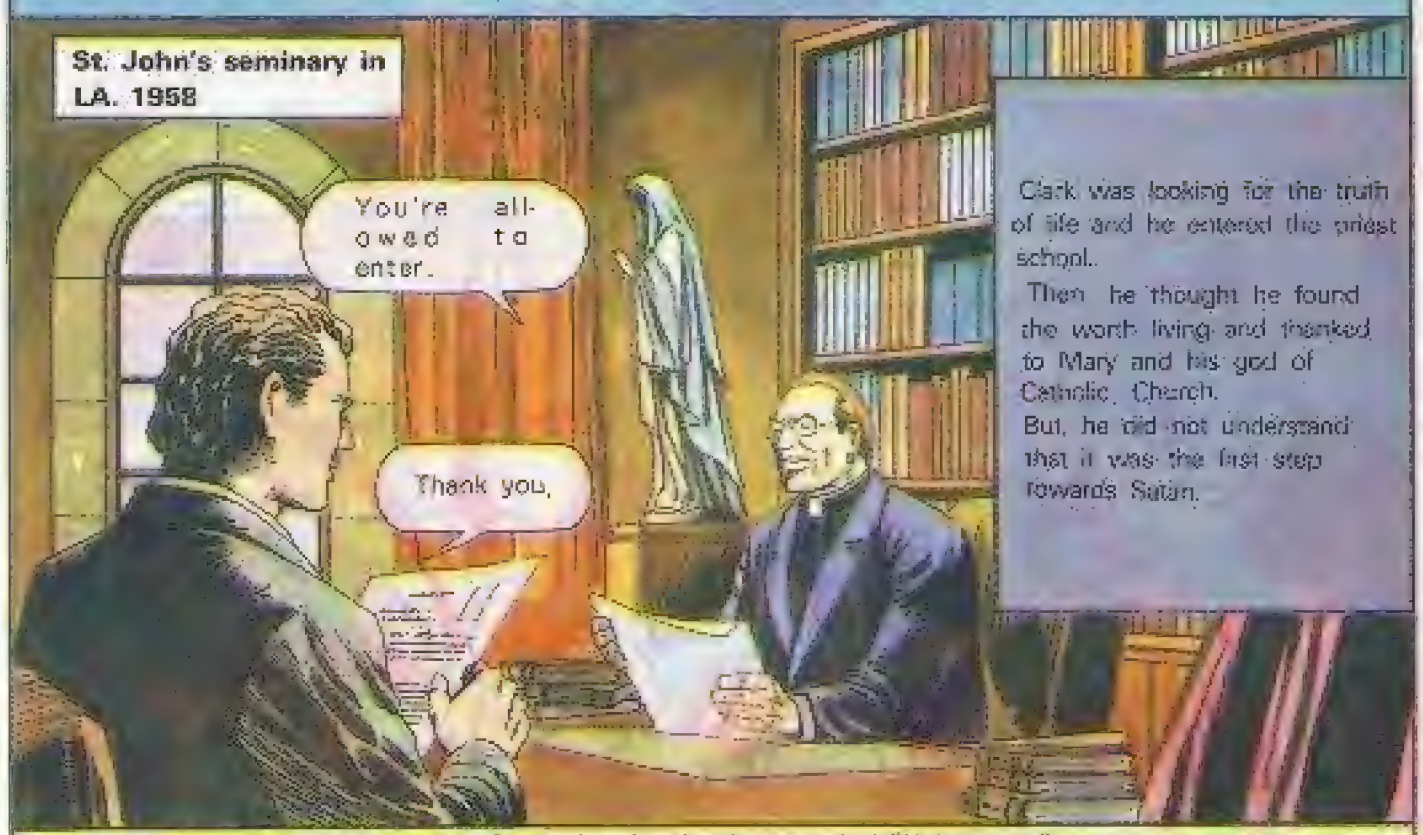
Without solving any problems after conversation with Marshall, he came back from Japan to San-Francisco. He was in trouble of his sin continually.

*Request tape "The Vatican and Liquor"

Chinatown, St. Mary catholic church
Oh! My God
Air Force minister, he died by airplane accident.
The air plane from Japan to Korea, C-47's accident was the reason why William F. Marshall died.
Marshall was heading to Korea to take jeep with him.
Oh! No, It's been a month since I saw him.
That was last time to see him.

Clark hurried to old St. Mary's in Chinatown and made his confession to anonymous priest, who absolved him. He reminded his talking with Father Marshall after knowing the news of his death. He decided to carry out what he had wished to become a priest

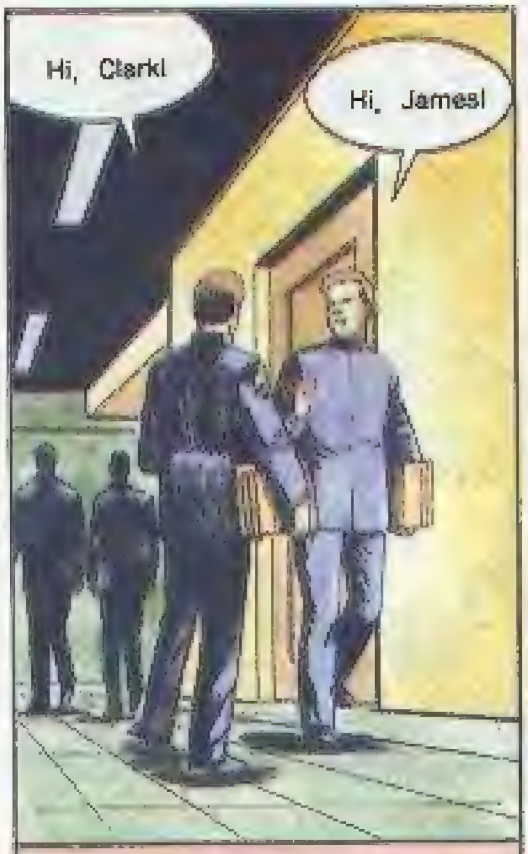
Clark took the temporary job in Arojet General in surburb of L.A. to get time to prepare more documents to apply the seminary again.



St. John's seminary in LA. 1958
You're allowed to enter.
Thank you.
Clark was looking for the truth of life and he entered the priest school.
Then he thought he found the worth living and thanked to Mary and his god of Catholic Church.
But, he did not understand that it was the first step towards Satan.

He was following all the strong rules of school and taking lesson called "Holy lesson". Since they were human being like us, they actually couldn't moderate human reason.

*Request tape : "The prophetical destiny of Japan."

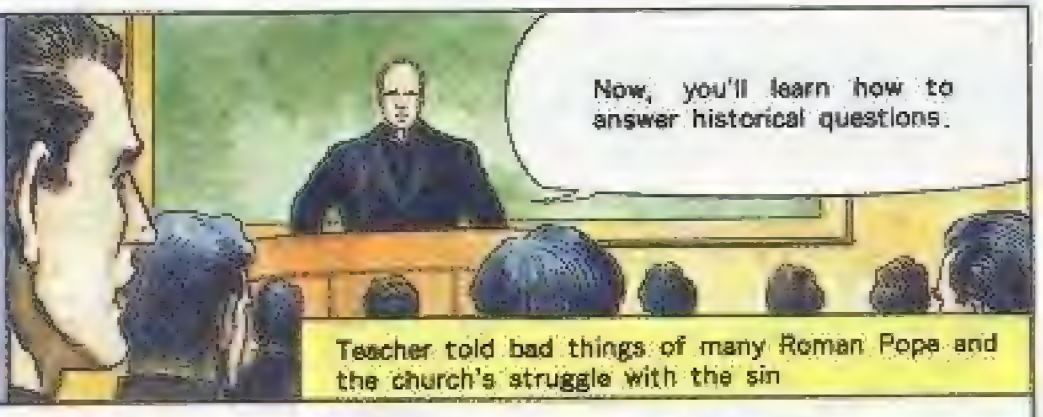


He expected the seminary interlude of 6 or 7 years would be difficult, yes, but not onerous.

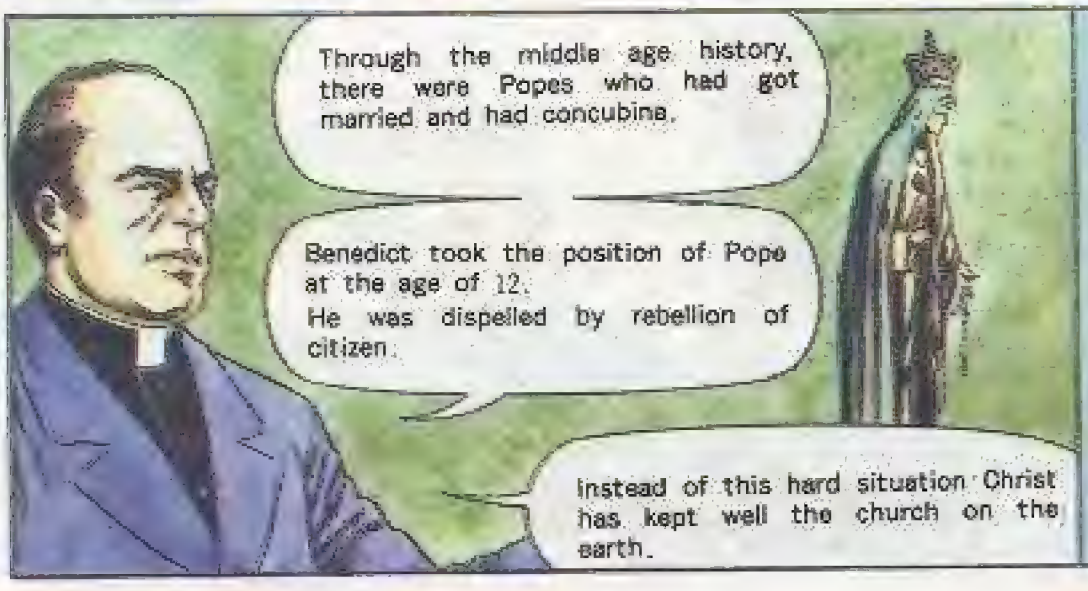
He believed the sweat of the rigid scholastic requirements would be accompanied by a Christian peace and joy and that the always-present guilt would gradually dissipate. How naive he was!

The seminary should be seen for an esoteric form of bondage within the general bondage of Catholicism. The program regimented to a degree that would shame a Marine Corps boot camp. There was total segregation of student from the faculty - no Christian fellowship between two groups."

To prepare the seminarian for the historical objections that will be raised by intelligent talk during his future ministry, some of the hidden truth must be disclosed. It was shocked to him!"



Teacher told bad things of many Roman Pope and the church's struggle with the sin



Through the middle age history, there were Popes who had got married and had concubine.
Benedict took the position of Pope at the age of 12. He was dispelled by rebellion of citizen.
Instead of this hard situation Christ has kept well the church on the earth.

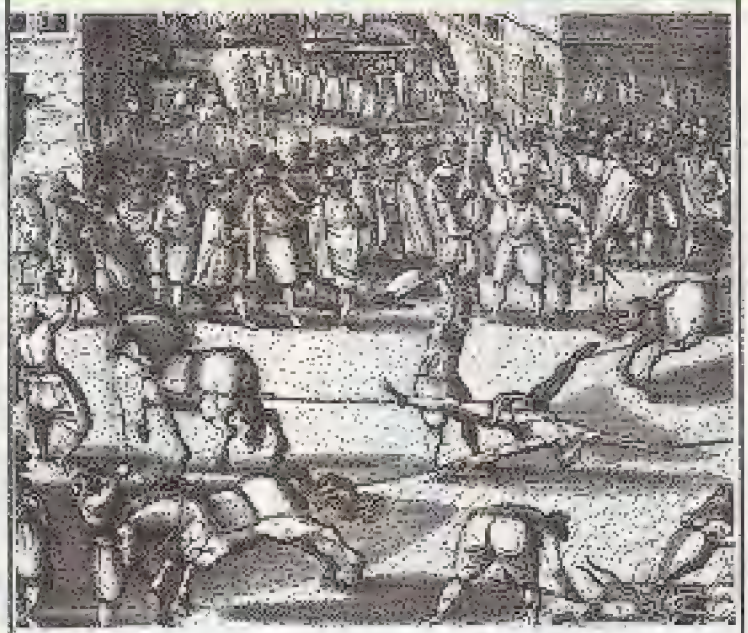
Leo II (682-683) proclaimed Honorius-pre-pope as a heretic.

Stephan II (752-757) incited Pepin to conquer Italy by force and took conquered land in the name of Pope.

Sergius III (904-911) committed incest and the illegal baby between them was become the pope.
He was John IX th in his teens.

Roman church history tell us Marozia, who was a concubine of Pope, whose son took the papacy.*
*The priest, the Woman, and the Confessional, by Chiniquy p.138 *

Innocent III (1198-1216) set up the inquisition office which was evilest in the world history. He killed over than 68 million, mostly Christians.
Domingo De Guzman became the first General inquisitor and founder

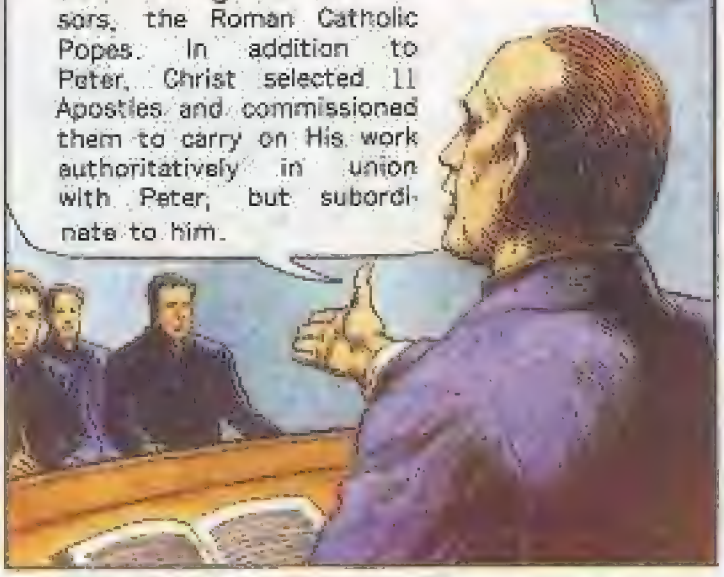


Vatican Council ··· over than 500 years papacy had run the inquisition office to rule over the opponents who didn't follow their doctrines.

Jesus set up only one true church which has hierarchy so easy that people can identify.

Jesus gave the supreme authority to Apostle Peter as the head of earthly church.

Peter's headship would pass on to future generations through his successors, the Roman Catholic Popes. In addition to Peter, Christ selected 11 Apostles and commissioned them to carry on His work authoritatively in union with Peter, but subordinate to him.



And the professor "Our Catholic church was commissioned to function with certain attributes with which the Holy Spirit would empower it - the gifts or Charismas of infallibility and indefectibility. The Spirit would protect this church, through the papacy, from teaching error in matters of faith and morals, which is infallibility."

Professor said the church is indefectible and Pope is the representative of Christ.

But there were too many Popes who had done wrong things. Among them some Popes committed terrible crimes that even heretic ever didn't.

The second Vatican Council itself stated about hierarchical structure of the church.

As vicar of christ ,pastor of the whole church the Roman potiff has full, supreme and universal power over the church. And he is always free to exercise this power.

The order of bishops which succede the college of Apostles also can exercise the supreme and full power over the universal church with the pope, head of the church. but this power can be exercised only under the consert of the Roman *.

*Second Vatican Council, Constitution on the Church, No.22.

When he meditated on Acts 15 for the first time in his seminary days, something happened to him. To learn that in apostolic times, while the New Testament was in process of being written, the church functioned in a manner radically foreign to Roman Catholic teachings, was devastating.

Oh! No! The Bible's different from what the professor's teaching!

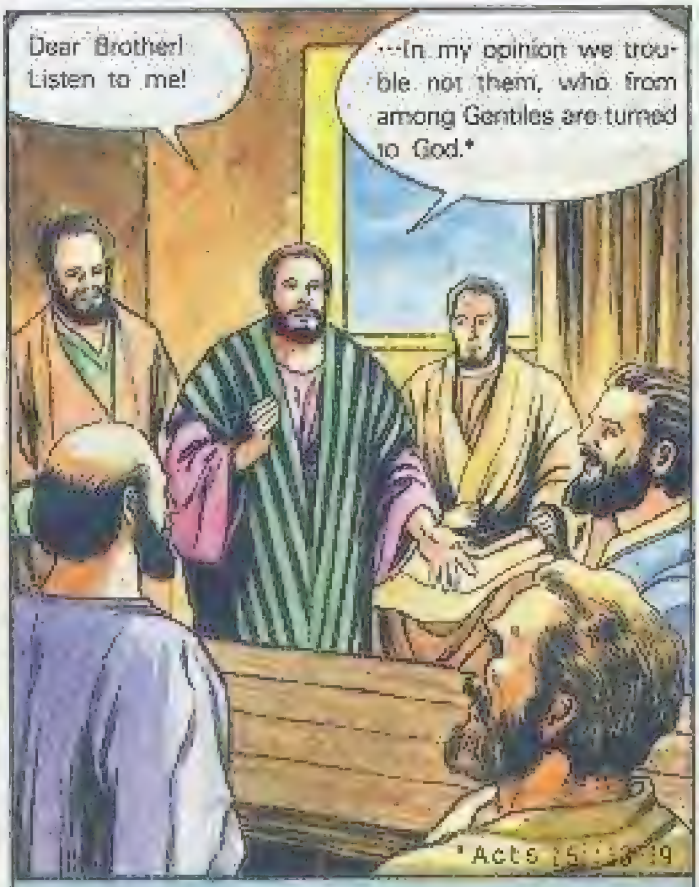
Let's get into the Bible words which surprised Clark.

The "apostles and elders" met in Jerusalem (Acts 15 6) to decide how to handle the first major problem that confronted the church it's relation to covenant circumcision. *Act 15 : 1-2

It was needful to circumcise them, and to command them to keep the law of Moses.*

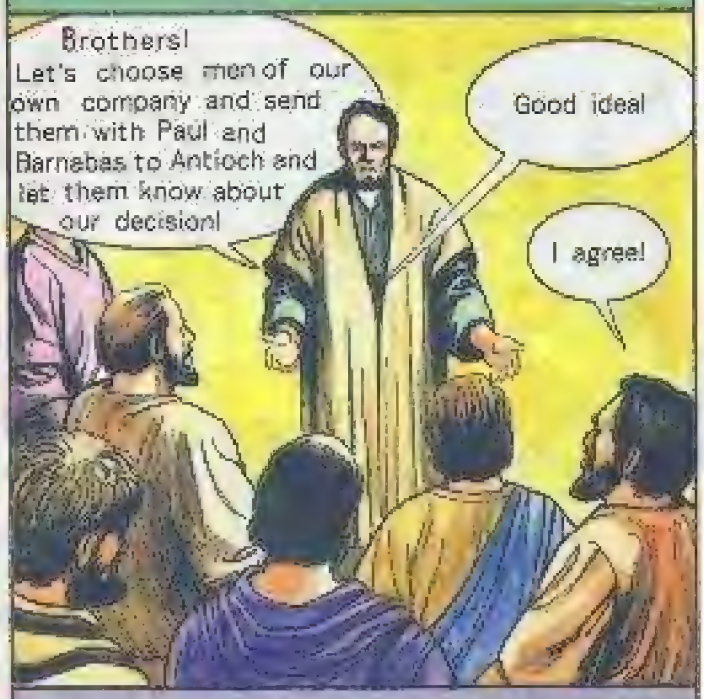
No, that's not right.

Dear brothers! Why did you tempt God, to put a yoke upon the neck of the disciples which neither our fathers nor we were able to bear? ** We believe that through the grace of the Lord Jesus Christ, we shall be saved, even as they.



Peter spoke but it was James that handed down the decision.

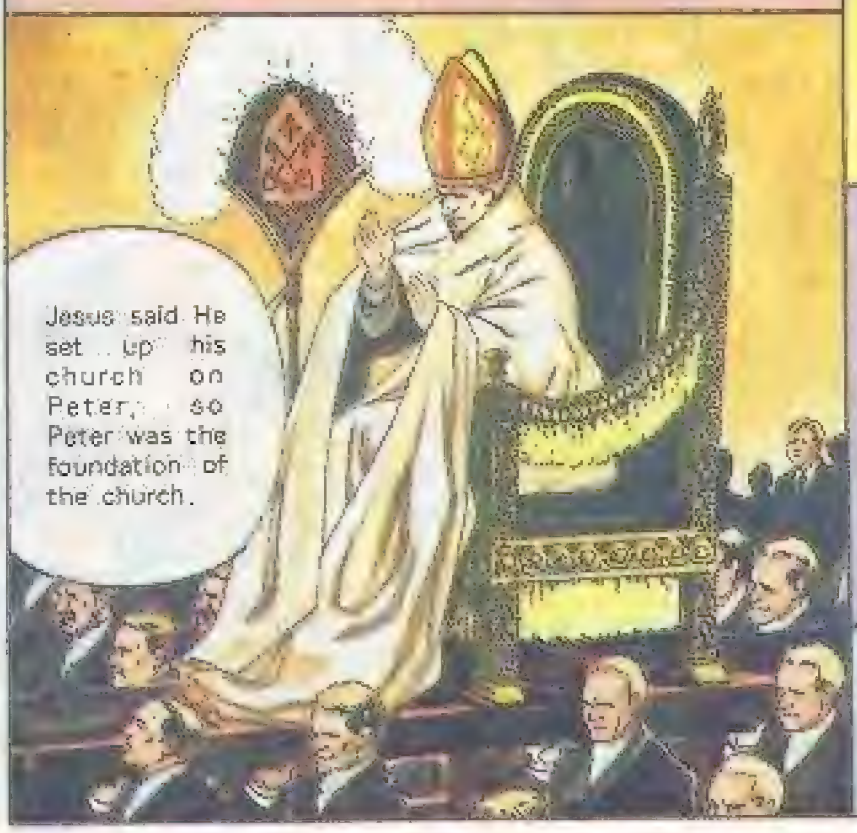
It was not Peter that made final infallible decision. In this incident we see the earliest collective action of the church of Jesus Christ. The only authority structure revealed is "apostles and elders."



Brothers! Let's choose men of our own company and send them with Paul and Barnabas to Antioch and let them know about our decision!
Good idea!
I agree!

Further, the decision was then communicated to the entire church not by Peter, but by the apostles and elders with the whole church!" *Acts 15 : 22

Historically Leo I (390-461) tried to make people believe that the bishop of Rome was Pope. He interpreted Matt 16 : 18 that Peter was the rock of the church.



But when we read this verses (Matt 16 : 16-19) carefully Jesus said, "upon this rock(petra : huge rocks) I(Jesus) will build up my church and the gates of hell shall not prevail against it. (Matt 16 : 18)." Peter means little pebble or moving stone.

Only Jesus is the Rock of his church.
"For other foundation can no man lay than that is laid, which is Jesus Christ" (1 Cor. 3 : 11)
"For who is God besides the Lord? And who is the Rock except our God?" (Ps. 18 : 31)

The true church is built upon the rock of Jesus Christ, not Peter, little pebble.
*Eph. 2 : 15-20, Acts 4 : 10-12

The more Clark studied the theology and history of Roman Catholic, the more he had the doubt of the Father.

Especially, hard thing for Clark to understand is Mary as Mediatrix of all grace from God.

That is contrary to the truth of the Bible.

"For all have sinned, and come short of the glory of God" (Rom. 3 : 23).

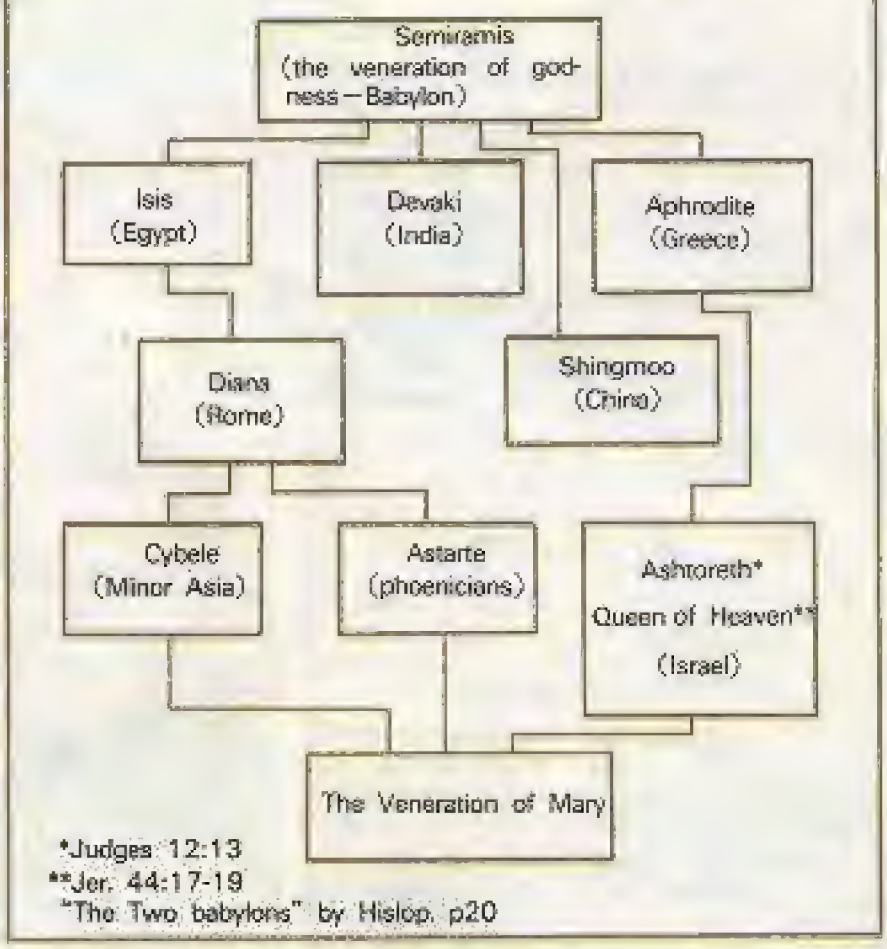
*Luke 2 : 22-24.
Leviticus 12 : 6-8.

"There is none righteous, no, not one," (Rom. 3 : 10)

Immaculate Conception became a DOGMA by Pius IV in spite of a lot of objections.

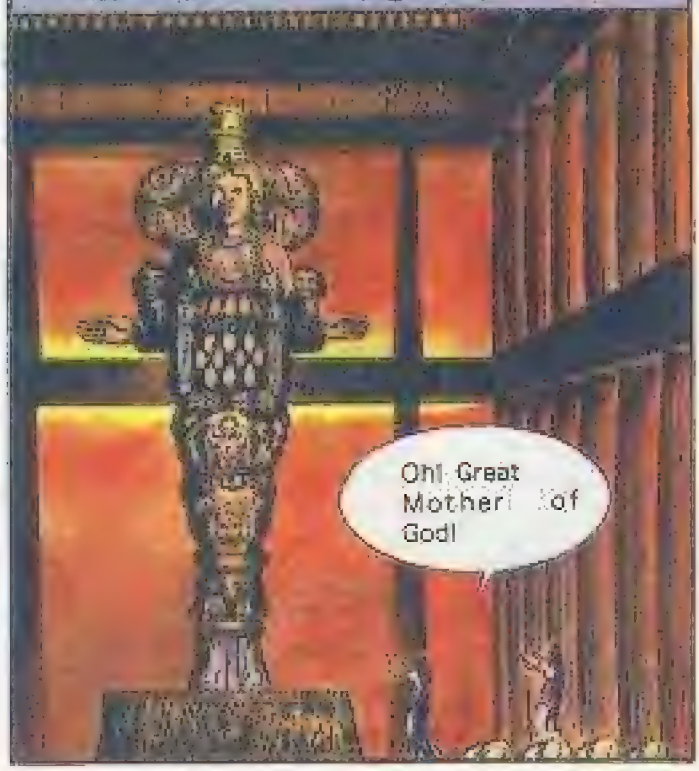
Now let's review how the worship of Mary was begun in Roman Catholic system.

The Catholic cult of Mary is initially based on her sacred motherhood. The veneration of the Virgin Mary was probably stimulated by parallels in pagan religion.



*Judges 12:13
**Jer. 44:17-19
"The Two babylons" by Hislop. p20

Ephesus, until cover up of the end of the pagan era, was also associated with Mary from an early date.* Many people connected Mary with Isis, who was called 'the Great Virgin' and 'Mother of the God.' The devotees of Isis natually tended to look to Mary for comfort when paganism was outlawed at the end of the 4th century.(Christian were the one that were outlawed under the name of paganism) *Acts 19 : 27

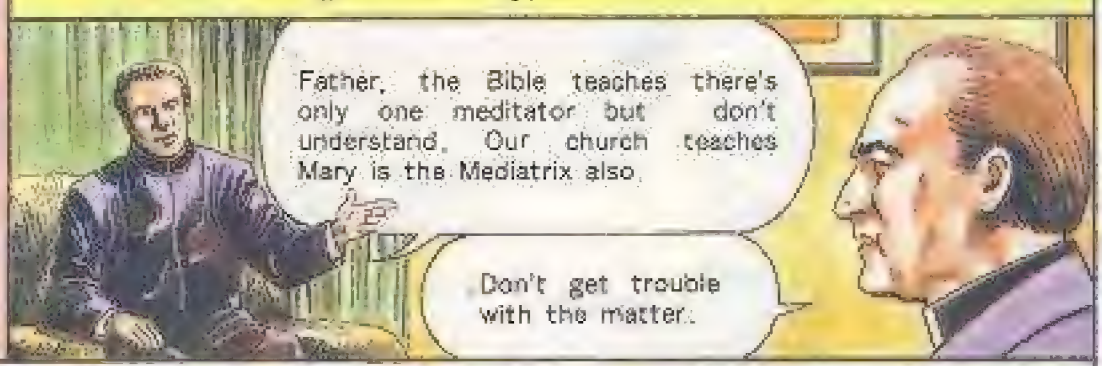


The 4th century title best owed on Mary, "theotokos"(Greek for "bearer of God") was equivalent to Mother of God, which was essentially a borrowing from paganism.*

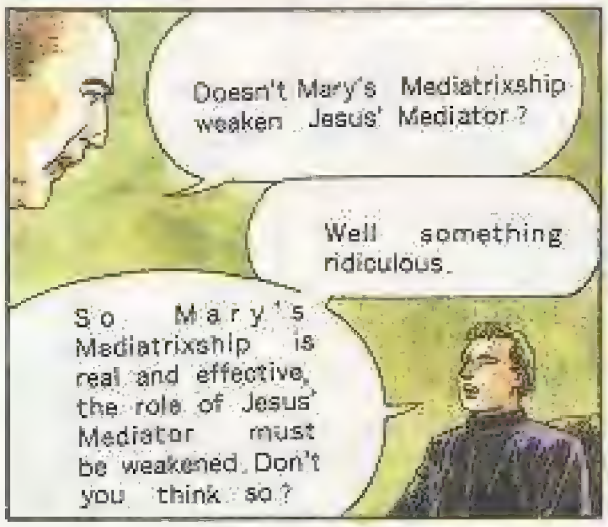
Pope Pius 12th proclaimed in 1950 that Mary was taken up body and soul into heaven at the end of her earthly life.**by Clark Butterfield p.90

The Bible said there is only one mediator.
"I am the way, the truth, and the life. No man come unto the Father, but by me." (John 14:6)

Clark was doubtful that Mary is Mediatrix which was taught in seminary.



Father, the Bible teaches there's only one meditator but don't understand. Our church teaches Mary is the Mediatrix also.
Don't get trouble with the matter.

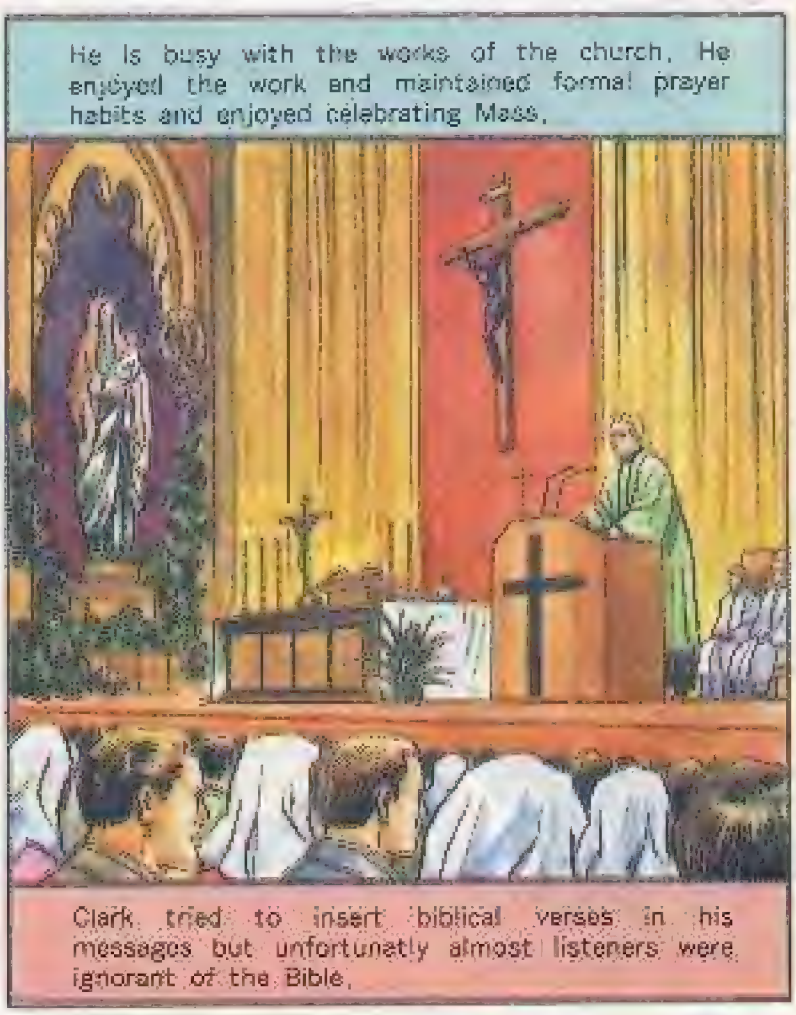


Doesn't Mary's Mediatrixship weaken Jesus' Mediator?
Well something ridiculous.
So Mary's Mediatrixship is real and effective, the role of Jesus' Mediator must be weakened. Don't you think so?

Similarly, he doubted a total of seven sacraments instituted by Christ but final ordination time came. after 2 years philosophy study at St. John Seminary and St. Thomas Seminary course in Denver.

May, 29, 1965. St. Monica's in California. EXPLAIN : Priests are lying on the floor.
At this late hour, so close to ordination, he should have been on his knees, praying, meditating, probing his soul to verify his motivation. Instead he was engrossed on the external and worldly aspects of ceremony.

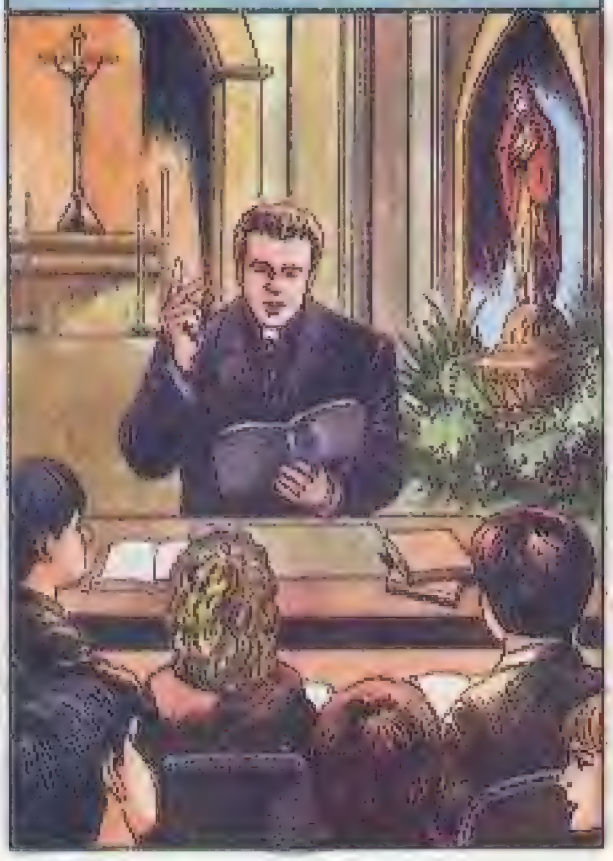
After he became actual priest,he was promoted to be priest in L.A.
Shall I be a really good priest ?
He began his priestly service sincerely, within the limitations already noted.



He is busy with the works of the church. He enjoyed the work and maintained formal prayer habits and enjoyed celebrating Mass.
Clark tried to insert biblical verses in his messages but unfortunetly almost listeners were ignorant of the Bible.

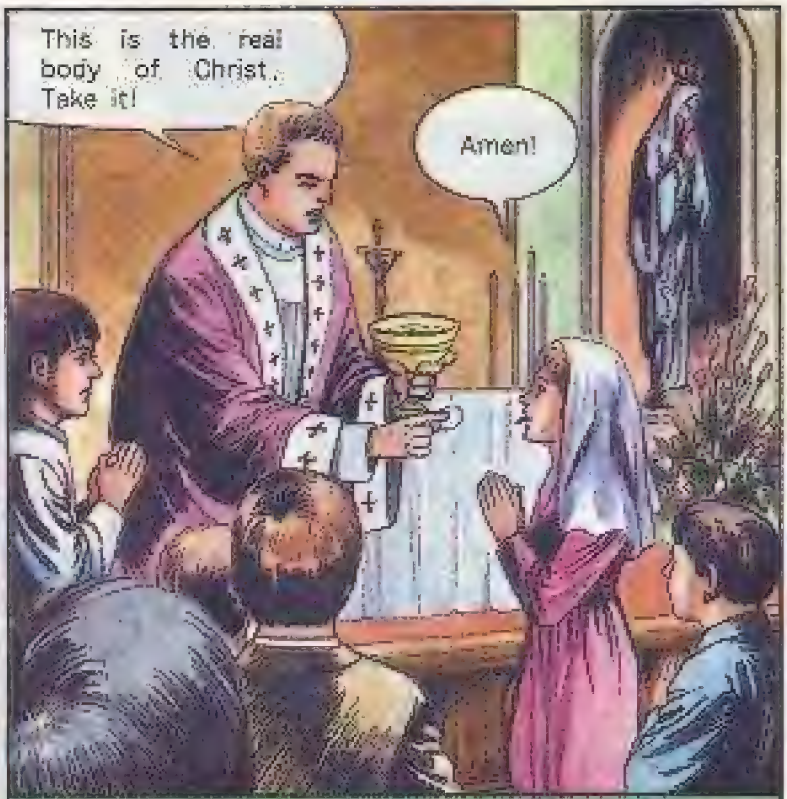
How are you ? Father Clark!
How are you ? Madam Clara! How is your husband doing ? He feels better ?
Yes, after your visit, he's getting well.
Clark took pleasure to visit and hear confession

He trying to pursue a carrier of pro-moting the Roman Catholic church which divorced from a real personal relationship with Jesus Christ.



This is the real body of Christ. Take it!

Amen!



Every time, however, he performs Mass he can't believe the bread and wine is the real body of Jesus Christ. And no longer certain that the Mass was the sacrifice of Calvary renewed the Mass could offer no strength. No longer convinced that the sacrament of penance confessing sins to another priest could produce forgiveness.

Clark's falling into deep agony. In order to foget it, he came out in civilian clothing and frequent the bars to down hard liquor in his free time.

Some of them fell into serious drinking. One of them become an alcoholic and still another, now well-known and active in church affairs, rejects the Virgin Birth and the Resurrection! He realized at last that his life had become a great deception.

Oh, Lord! Can I receive the forgiveness of the sin?
I am that most odious of characters: a pious fraud.
I can no longer be called a believing Catholic priest. I can't stay here!

1973
Sometimes Clark and his friend gathered in his house and played poker or drank scotch.
They didn't feel any pang of conscience at all.

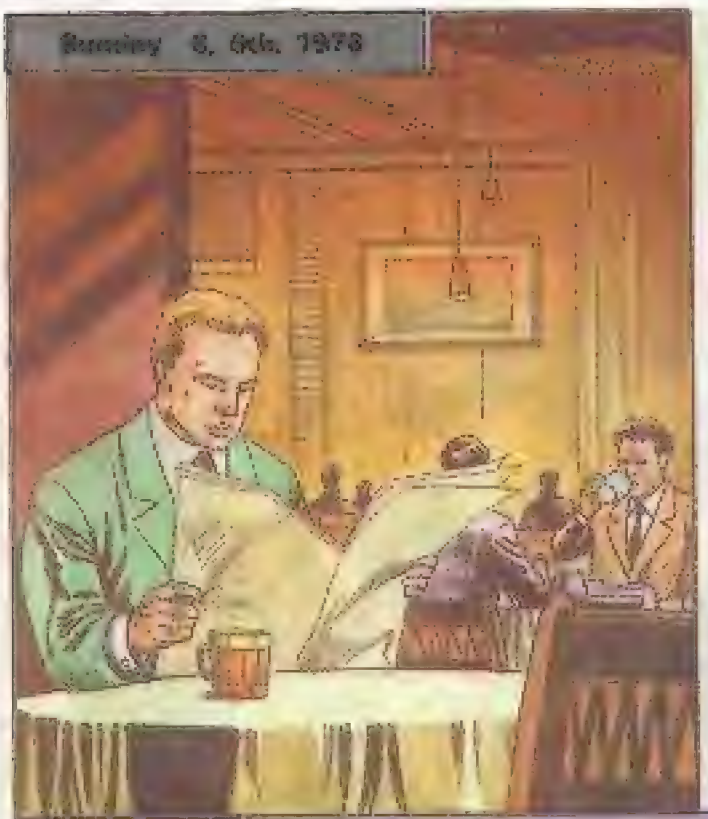
At last he left Roman Catholicism after requesting an indefinite leaving of absence.* Seven years only was he an active priest.
He served in California and Kansas in Detroit.

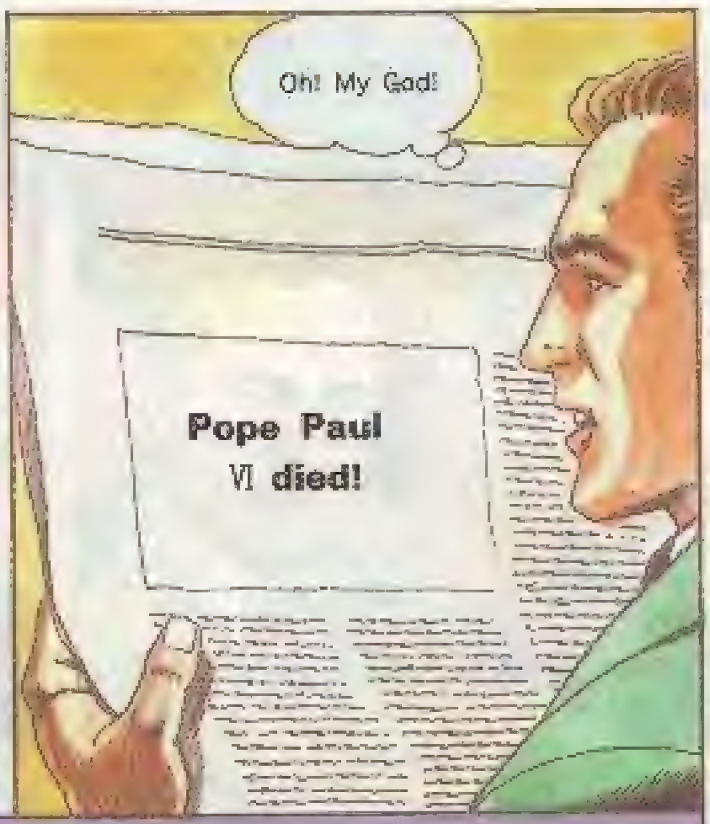
His mind is empty entirely and he couldn't have any meaning in his duty.

Nice to meet you! I'm Clark Butterfield.
How do you do? I'm a personnel director.
We reviewed your application. We've decided to appoint you as a counsellor for policeman.
Thank you! I'll do my best.

The very day he discarded the title "Father Butterfield" he applied for a job with the Detroit Police Department.
He was working full time with that organization.

*Request tape : "Leave of absence, dispensation or Excommunication -know the truth."





He didn't read the detailed news report. His eyes remained on the headlines and a host of jumbled thoughts demanded his attentions.
Rome - where he had once attended a papal audience - far away and long ago!
The Pope who reigned during his personal pilgrim age was dead.

*Request tape : "Death of Popes in the Vatican."

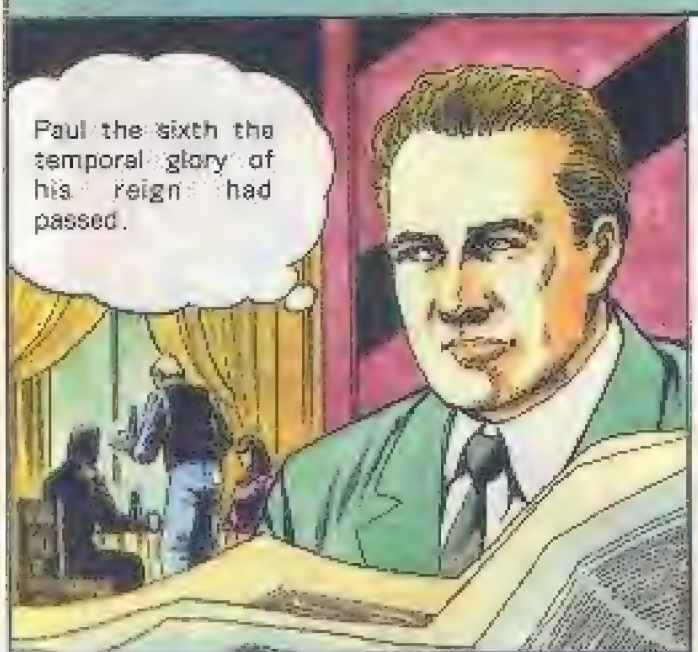
John 6th had 261th performed coronation in St. peter church for the first time of 100 years.

John paul 6th died at 9:40 AM on 1978 August 16th. John paul 2nd became pope on 1978 Oct. after he died.

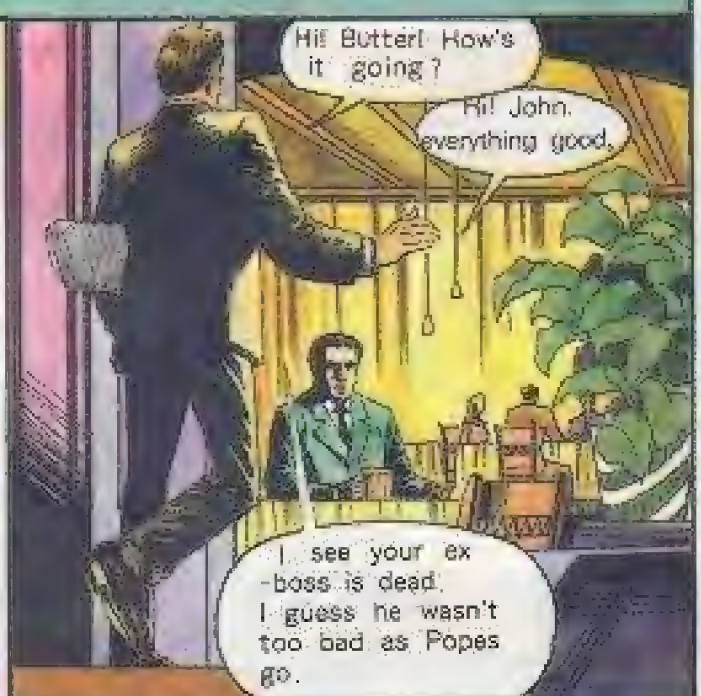
After Paul 6th died, Paul 1st became a Pope

"From Bio12nd to paul 1st, most of them were assasinated."

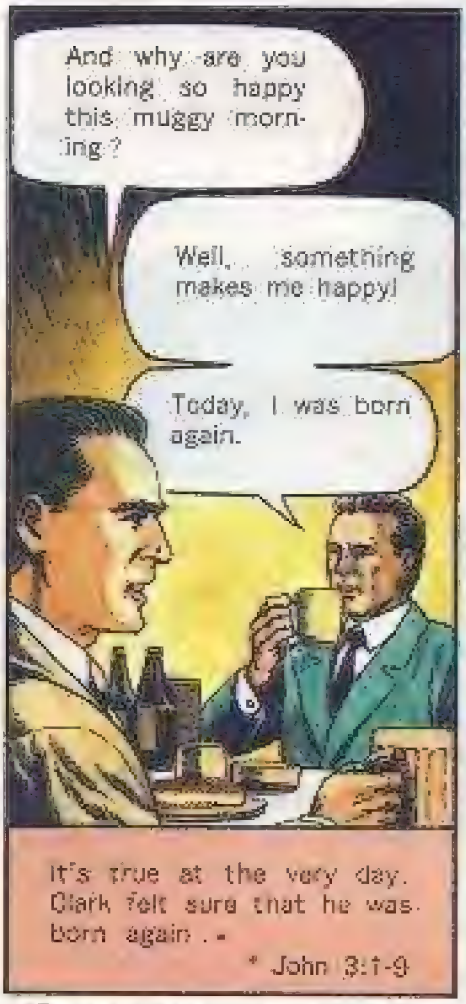
When Clark heard the news of Pope's death he dredged up the Latin word, sic transit gloria mundi; "Thus passeth the glory of the world." 'Was he saved? Had he, before his death, in the deepest recesses of his soul, accepted Christ in repentant faith as his total Savior?"



But Clark didn't lament for Pope's death. What happened to him that morning was the conclusion of a journey of many years.

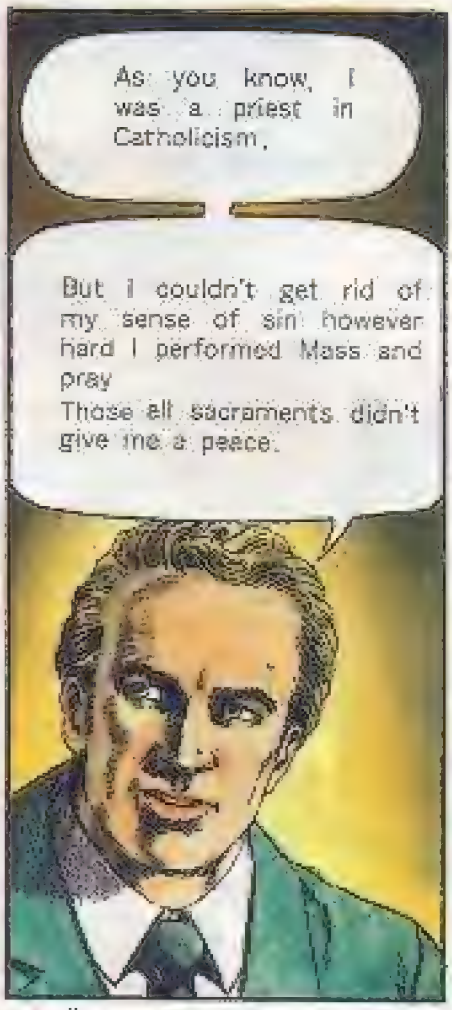


Clark told him that he knew the Pope's death a few minutes before on the paper. John went on saying,



And why are you looking so happy this muggy morning?
Well, something makes me happy!
Today, I was born again.
It's true at the very day. Clark felt sure that he was born again.*
* John 3:1-9

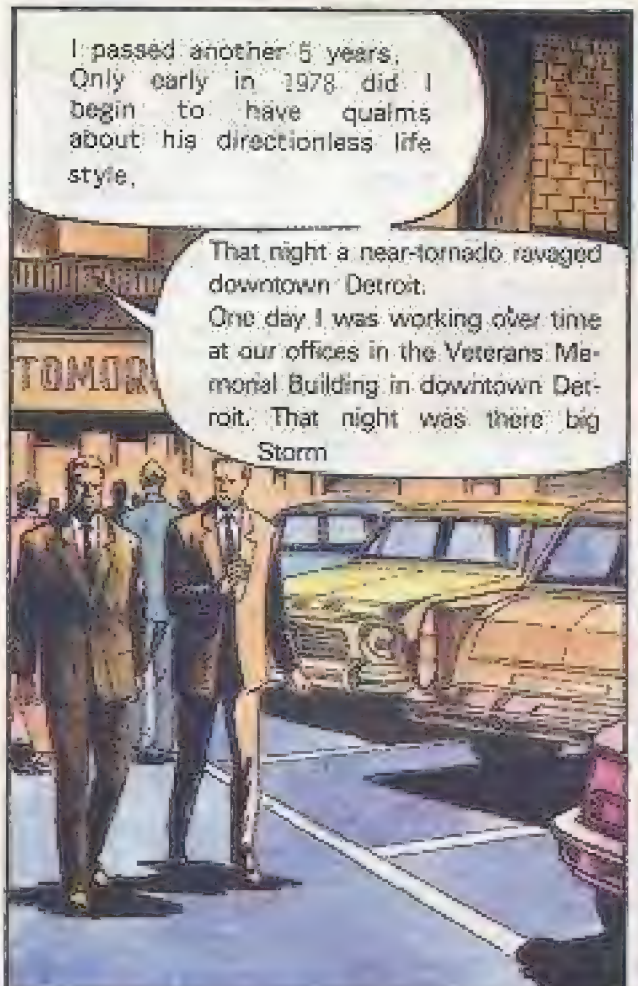
*Request tape : "Can a Pope be saved ?"



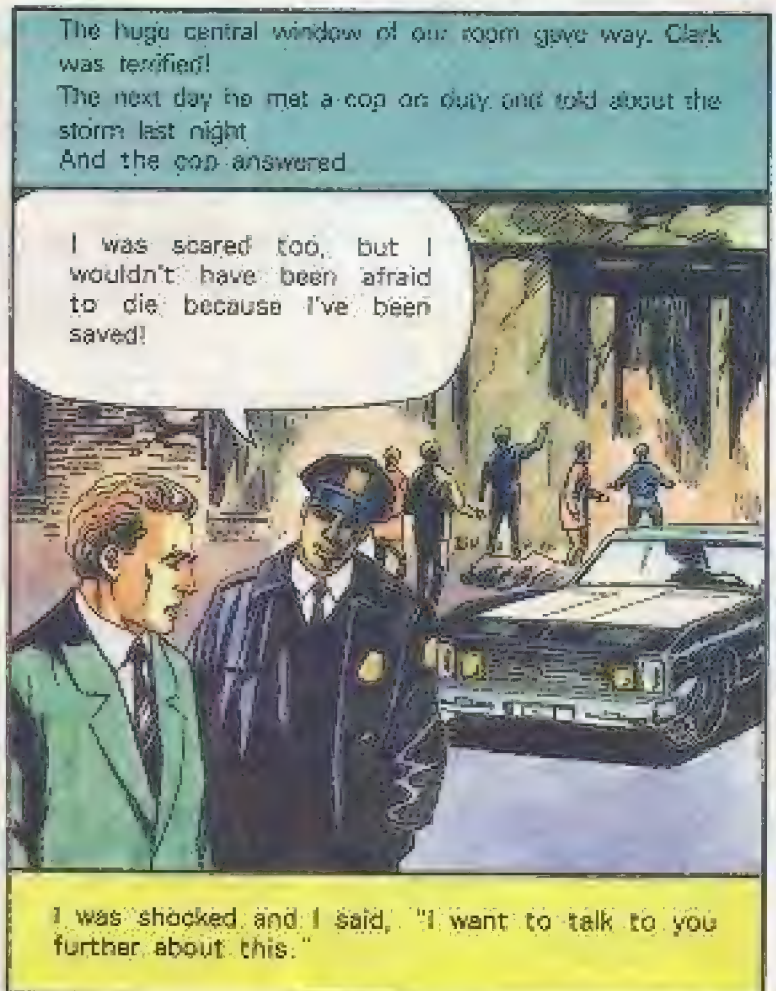
As you know, I was a priest in Catholicism.
But I couldn't get rid of my sense of sin however hard I performed Mass and pray
Those ell sacraments didn't give me a peece.

So, I left a priest.
After then, while I worked with police, the fear of sin was getting disappeared.
My new fellows thought I was cheerful, capable, and faithful man. In fact, I have narrow minded...
I've got ignorent of the judgement of God because I was not warm and not cold.

*Request tape : "Conversion and born again."



I passed another 5 years. Only early in 1978 did I begin to have qualms about his directionless life style.
That night a near-tornado ravaged downtown Detroit.
One day I was working over time at our offices in the Veterans Memorial Building in downtown Detroit. That night was there big Storm



The huge central window of our room gave way. Clark was terrified!
The next day he met a cop on duty and told about the storm last night
And the cop answered
I was scared too, but I wouldn't have been afraid to die because I've been saved!
I was shocked and I said, "I want to talk to you further about this."

*Request tape : "Born again contrary to the R.C. mass."

And he tole me following story

One day Nicodemus, a council of Jew visited Jesus. Jesus said to him.

Verily, verily I say unto thee, except a man be born again, he cannot see the Kingdom of God.*

How can a man be born again when he is old?

*John. 3:3

That which is born of the flesh, is flesh and that which is born of the Spirit is Spirit.*

But I've not experienced of being born again as Jesus said. I was in trouble about this matter···

This morning I knew that salvation is given to sinner as gift for nothing by God.*

*Eph. 2 : 8, 9

To explain that salvation is the gift from God, I'll tell you an episode in the Bible.

In Lk. 10 : 25. there's a conversation between a lawyer and Jesus. SETTING : Jesus and young lawyer

Master, what shall I do to inherit eternal life?

What is written in the law? How readest thou?

Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy strength, and with all thy mind; and love thy neighbour as thyself.

Thou hast answered right: this do, and thou shalt live.

The reason Jesus told the lawyer to do this that he knows the law intellectually but he has not been accused by the law. The reason why he told us to follow commandments he gave us was for us to understand ourselves as sinner when we go against commandments.

But the lawyer, willing to justify himself not knowing he is a sinner, said unto Jesus,

And who is my neighbor?

Jesus told a story to explain who is the real neighbour. The story is about a man who met thieves.

Oh! Help me! Oh! God!

This man went down from Jerusalem to Jericho.

"Now by chance a certain priest came down that road. And when he saw him, he passed by on the other side" (Luke 10:31)

I'd better get away quickly.

This priest must perform the offering with staying in Jerusalem.
Why he went down Jericho where is no temple?

In brief, that priest who should try to win souls lost his mission and he pursues pleasure, fame, wealth so he went down the world.
In his eyes, he didn't sympathize the man who met thieves.

And likewise a Levite, when he was at the place, and passed by on the other side,

As you know like these Levite and priest, I was in the tradition of man rather than tried to win souls as e father.*

And I tried to get rid of my sins by confessing and performing sacraments rather than believing the truth of the Bible, according to the promises of Jesus Christ.*

But nothing can quench my thirst of my soul.

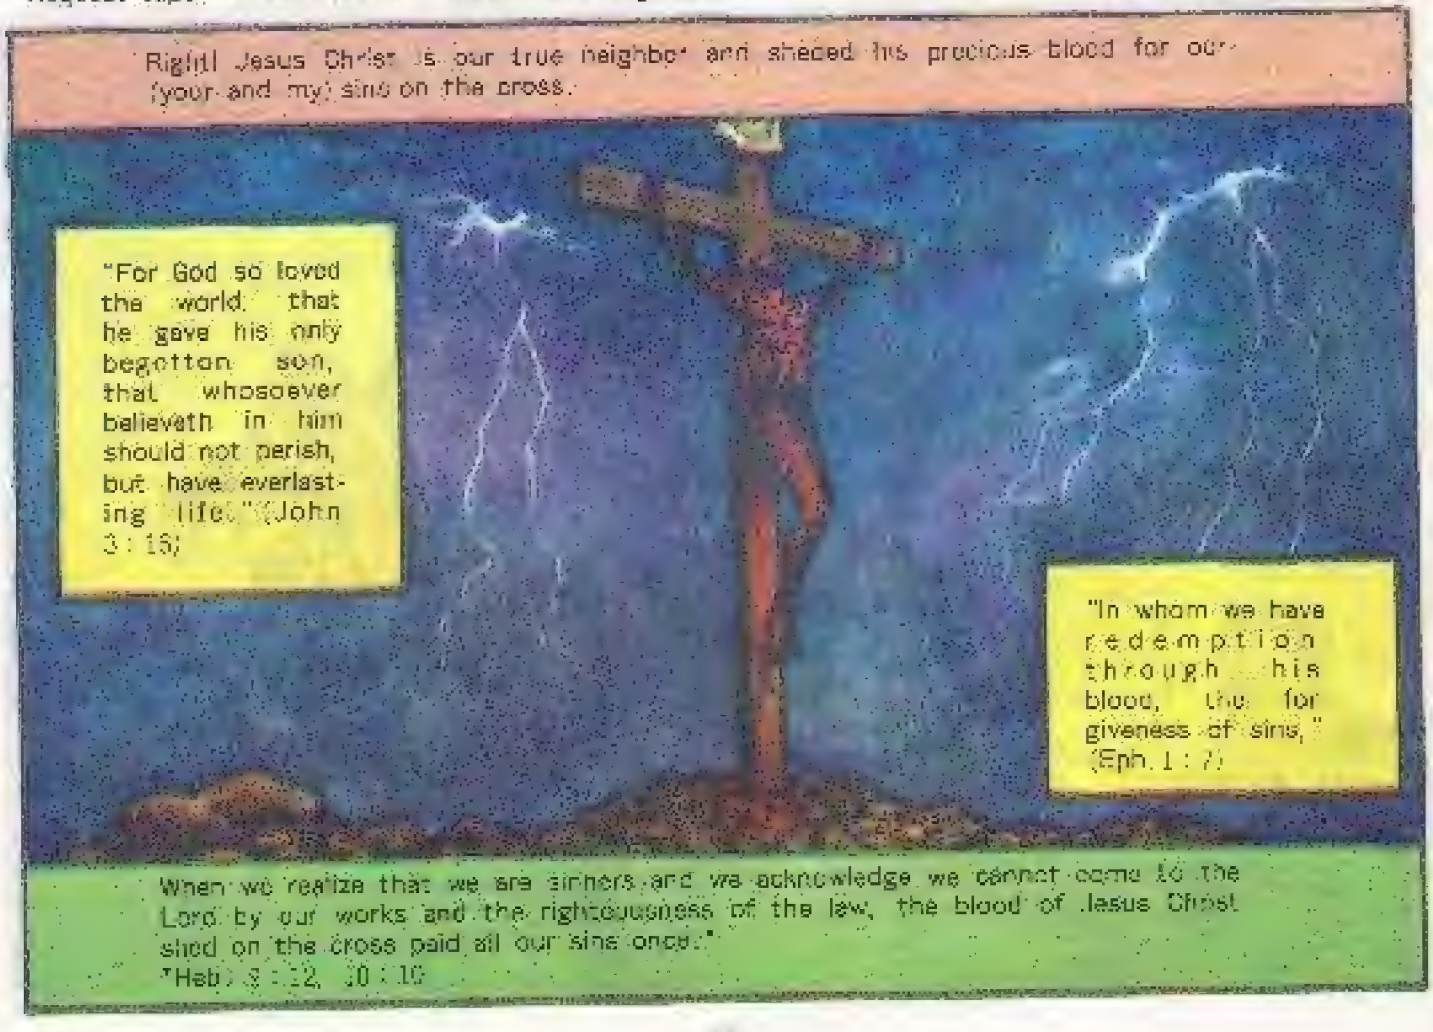
"Knowing that e man is not justified by the works of the law but the faith of Jesus Christ ··· (Gal.2 : 16)"

But a certain Samaritan, as he journeyed, came there. He saw him and had compassion on him

and wine and set him on his own beast, and brought him to an inn and took care of him.

Take care of him, and whatsoever thou spendest more, when I come again, I will repay thee.
Yes, Sir!
The Samaritan despised by Jews took care of the wounded man. The true neighbor of the wounded man is Samaritan.
Priest and Levites symbolize the law and rites which the lawyer believe. Samaritan symbolize Jesus who is being despised by the lawyers.
Through these words I realized the Samaritan was Jesus himself and the man who met thieves was myself!
I was in the same situation as the man who was dying after he met thieves. As the same manner, Samaritan cured
the wounded men by oil and wine, so Jesus took away my sin by His precious blood

*Request tape : "Priests can not believe in the gospel"



Right! Jesus Christ is our true neighbor and shedded his precious blood for our (your and my) sins on the cross.
"For God so loved the world, that he gave his only begotten son, that whosoever believeth in him should not perish, but have everlasting life." (John 3 : 16)
"In whom we have redemption through his blood, the forgiveness of sins," (Eph. 1 : 7)
When we realize that we are sinners and we acknowledge we cannot come to the Lord by our works and the righteousness of the law, the blood of Jesus Christ shed on the cross paid all our sins once."
*Heb. 9 : 12, 10 : 10

I believe you have experienced miracle

But I don't understand 'born again' you said.

The meaning of 'born again' I said is not conversion from Roman Catholicism to Protestant or different way of one's life.

In the decade of the 70's the word 'born again' have been tossed about with alarming frequency and ease. It has been used in newspaper, magazine, T.V., radio. "The newspaper is born again." "A publisher of a pornographic magazine has been born again."
Jehovah's Witness, and the Mormons use also this words.
But this usage is far from that of Jesus said. Jesus said, "Except a man be born of water, and of the Spirit (the word of the truth) he cannot enter into the Kingdom of God."

The point I want to say is that one recognize he is a sinner and throw away the burden of complecated Roman Catholic tradition, instead of

that, I have been saved by believing the power of the blood Jesus shed and forgiveness to the sure and simple truth of the Bible.

Salvation cannot be achieved by own's efforts but it's God's present which are given to all sinners.
This very today, I realize this!

Clark started totally new life after he was born again on 1978 Aug.8th. From now on,You will see how God used him to proclaim the Gospel of Jesus

Now, let's see how God had used Klark as his servant to preach the Gospel

Alberto was sure that Clark Butterfield was really born again Christian, and thought that through his testimony a lot of Roman Catholic believers can come back to Lord after reading Clark's letter.

Clark is a precious brother.
Lord let me take care of me to publish his book.

Alberto also realized that the publication of Clark's testimony is the will of God.

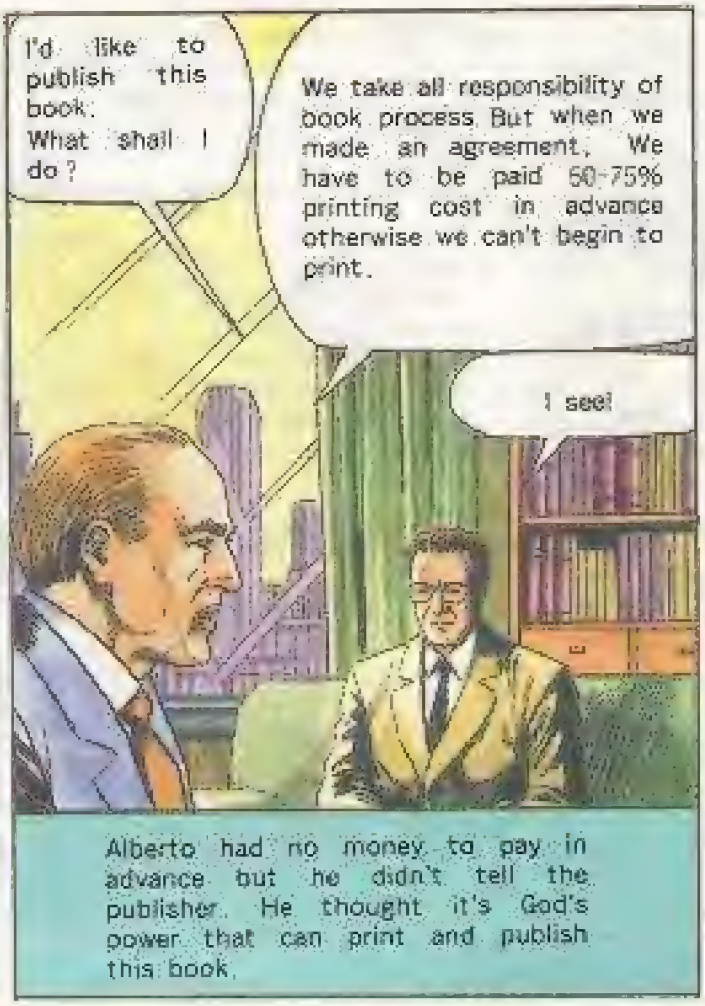
Then Alberto called Clark to discuss the matter.

How are you?
This is Alberto.

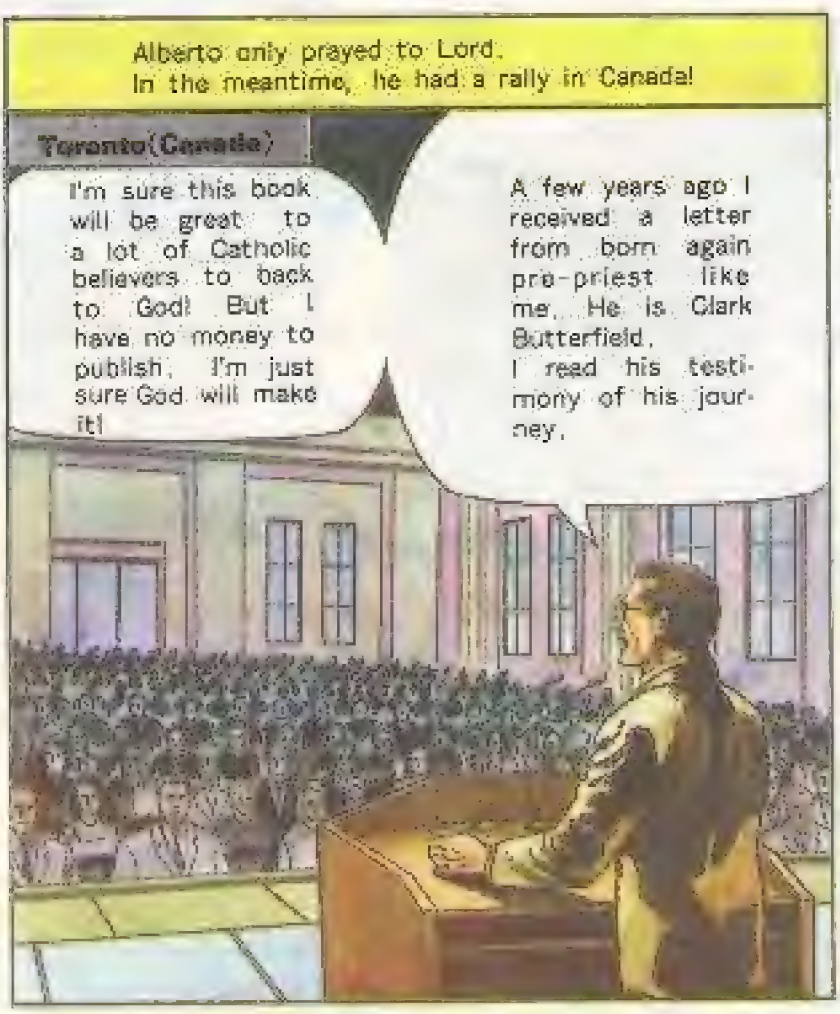
I read your letter carefully.
We decided to publish your testimony.
I don't have money to publish a book.
Let's pray God will supply us.

How are you?
There's nothing God cannot do.

Oh! Lord! I don't have experience and money to publish this book.
But according to the lead of the Holy Spirit Alberto decided to publish his testimony. And he discussed with a publisher.
Good Morning
I told you about this book on the phone before.
Welcome! Dr. Alberto!



I'd like to publish this book. What shall I do ?
We take all responsibility of book process. But when we made an agreement, We have to be paid 50-75% printing cost in advance otherwise we can't begin to print.
I see!
Alberto had no money to pay in advance but he didn't tell the publisher. He thought it's God's power that can print and publish this book.



Alberto only prayed to Lord.
In the meantime, he had a rally in Canada!
Toronto(Canada)
I'm sure this book will be great to a lot of Catholic believers to back to God! But I have no money to publish. I'm just sure God will make it!
A few years ago I received a letter from born again pre-priest like me. He is Clark Butterfield. I read his testimony of his journey.

After rally a pastor wanted to meet Alberto!
I was much impressed with your message!
I want to help you to publish Clark Butterfield's book. I know a printer that will do it.
Thank you!
And "Night Journey from Roman Catholic to the New Jerusalem" was first printed in Canada.

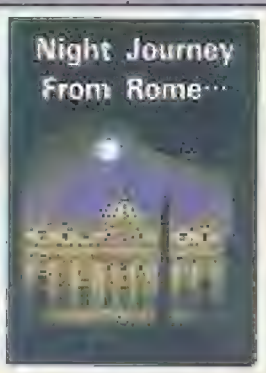
From now on you'll see how God use Clark Butterfield as God's tool.
But Alberto had much difficulties printing this book. Sabotage against the second publication begin to take place in many different ways···

Clark Butterfield was the first pre-priest to join Alberto's ministry in north America. If the news of Clark's joining Alberto was spread to the world, Alberto series was true and Alberto's witness of the Jesuits' plot against politics, history, economics was true. And this will be powerful for Catholics and lead them to thd Lord!

Being fearful of this, Satan and his followers(the Jesuits) didn't want this book to be published and dislike Clark's testimony to be known to the world.
This made the Jesuits decide to get rid of Clark Butterfield.
It means assassination which has been used for a long time and will be.*

But one thing they didn't think. It is not Satan but Almighty God who rules over all things. Satan was just a creature of God.

The follower of Satan knew that if they made this book process delay, Alberto had no ability to cover the printing cost and they took the advantage of it.



But the Almighty God moved true Christians whom Alberto didn't know and pay the printing cost.
At last the book was published first in Canada.

One more reason to make this book process hasty is that there's movement to kill Clark Butterfield in act.

Clark Butterfield was embraced and taking to heaven by his own Savior Jesus without seeing this book's publication.

From now on, you'll see how Clark was killed. You must read this real happening very carefully, because there is already a reality of a plan throughout the world to kill true Christians.

Clark Butterfield was going to move into California to join Alberto's ministry. And he told Alberto about this.

Alberto, I want to share my testimony to the curches and join you and your ministry, so, I am going to move to California, after coming back from Florida.

Clark want to join him to move into Florida and open a missionary organization and printiong shop.

Few days later, John contacted a man running a printing shop and ready to print Clark's book. John asked Clark to come to Florida.

Clerk is ahead to John in Florida (SETTING : airplane)

The reason John asked Clark to come to Florida is that John wanted to prevent Clark from joining Alberto to publish his book and take manuscript, tapes and other materials from Clark which were helpful Alberto's ministry. But Clark's manuscript was already down to Alberto. God is wiser than Satan.

*Request tape : "Tribulation today?"

Few days later before coming to Florida, Clark made phone call to Alberto. At that time Alberto was staying in the city of Altaloma. His wife picked up the phone.

City, Altaroma

Alberto, there's a call from Clark. He seems very nervous, Alberto! Something is happening to me; Make hurry to speak him.

I see!

Hello! This is Alberto.

(sobbing) Alberto, things are happening already.

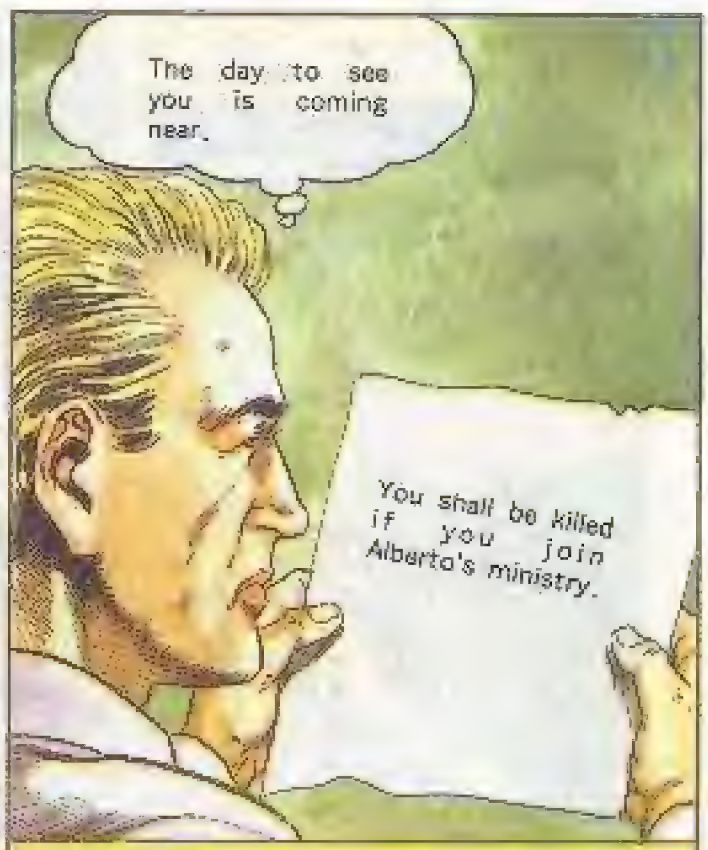
What's happened

Clark became aware of what will happen to him in the future. By the lead of the Spirit he can know it.

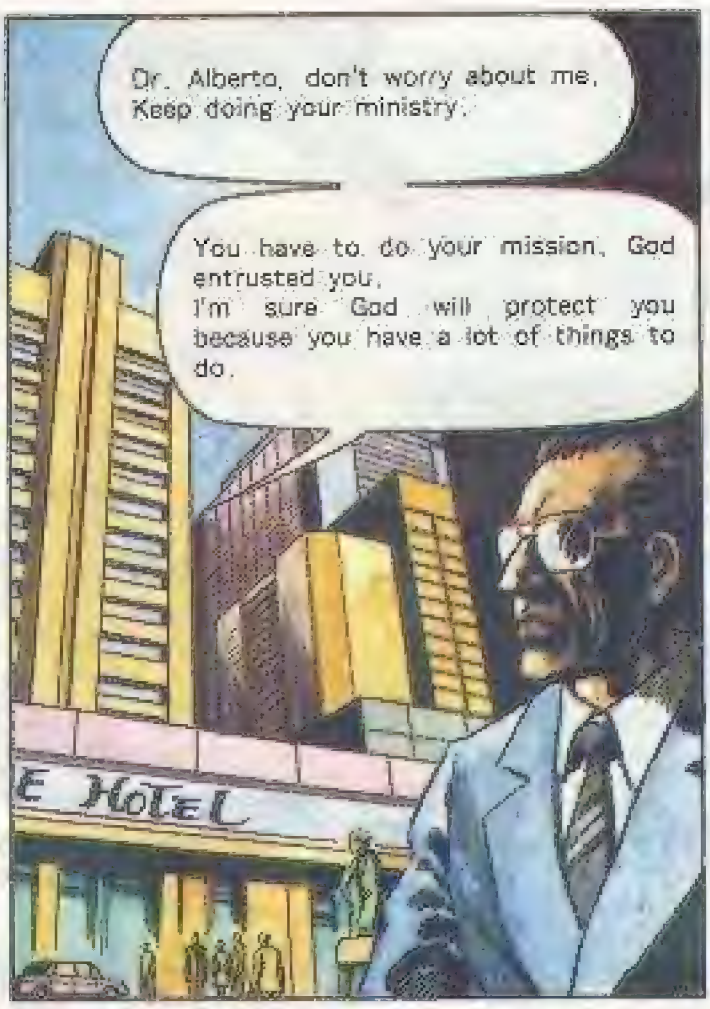
The thing which I supposed to come has already begun.
I'm crying not because sadness.
I think I'm going to my Lord who saved me.
What's the matter with you?
What made you so sad?
Clark, Why are you crying?
I don't understand what you said.

Clark answered crying.
"I'm sure what is happening. My Lord wants to carry me home."

"A man inserted a message under the door. He must be a agent from Roman Vatican."



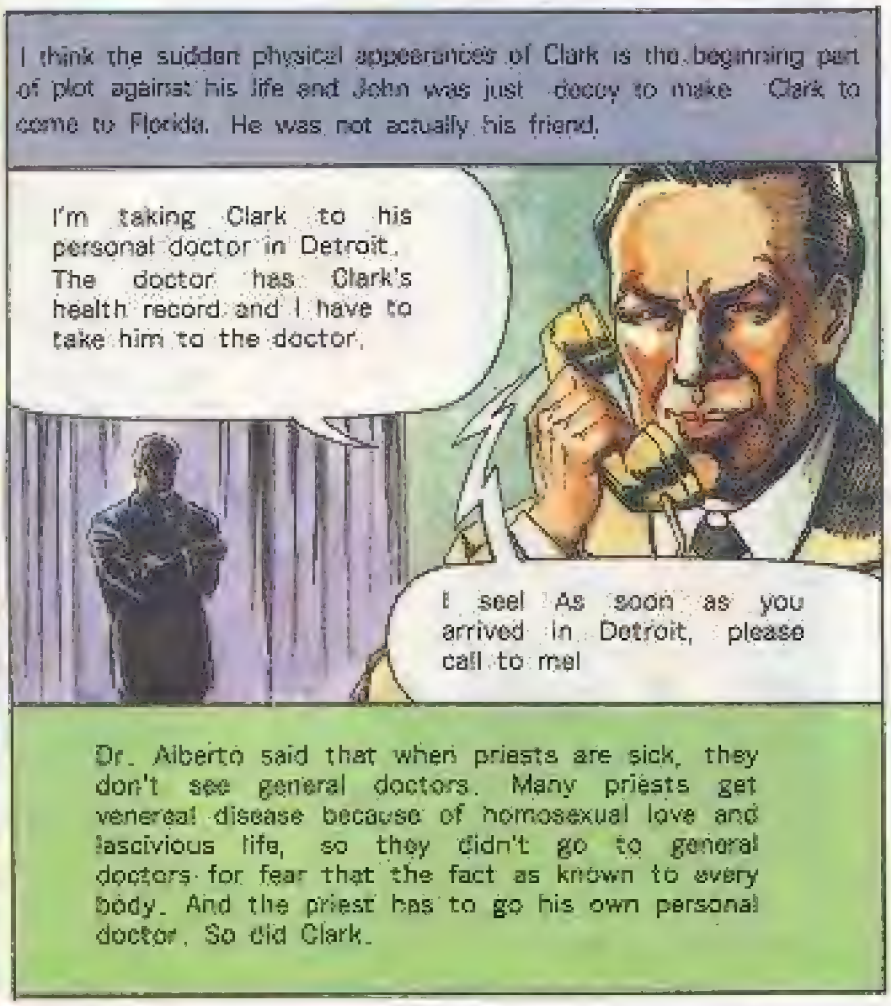
Clark wasn't afraid of what will happen to him. Instead of it, he was joyful with the view of seeing his Lord!



Dr. Alberto, don't worry about me. Keep doing your ministry.
You have to do your mission. God entrusted you. I'm sure God will protect you because you have a lot of things to do.
E HOTEL

It is God gets the victory even though Satan tries to prevent. God is our leader.
If we didn't see one another in this earth, we should meet in front of Lord.
Clark, take care of yourself.
Clark and Alberto encouraged one another and hanged up.

A few days later, John called Alberto.
Miami, Florida
Dr. Alberto! I have bad news for you. Clark is ill.
Can I speak to him ?
I'm sorry. He's too sick to speak to you! *
* "John does not let Clark and him communicate. It's big doubtful point."



I think the sudden physical appearances of Clark is the beginning part of plot against his life and John was just decoy to make Clark to come to Florida. He was not actually his friend.
I'm taking Clark to his personal doctor in Detroit. The doctor has Clark's health record and I have to take him to the doctor.
I see! As soon as you arrived in Detroit, please call to me!
Dr. Alberto said that when priests are sick, they don't see general doctors. Many priests get venereal disease because of homosexual love and lascivious life, so they didn't go to general doctors for fear that the fact as known to every body. And the priest has to go his own personal doctor. So did Clark.

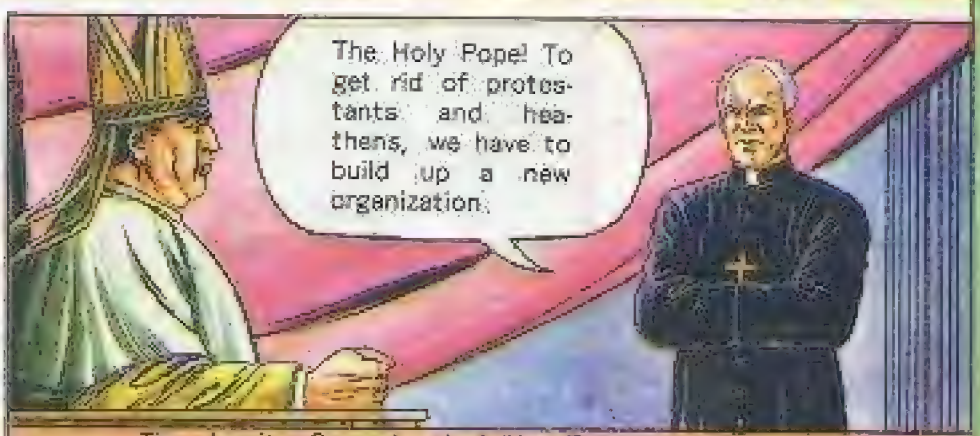
The plot to kill Clark Butterfield has already begun.
The last step was planned for Clark's personal doctor to kill him.
The doctor is not only Catholic but also a member of Knights of Columbus and a member of 33rd degree of the Masons which is Satan's secret organization.

Alberto told about Knights of Columbus.

Knights of Columbus was founded by Roman Vatican when Columbus discovered the America continent.
In fact, Columbus was also a Jesuits' priest."

Free-Mason : Free-Mason was established since the Babyl tower built and actual appearance was happened in 1917 in England.
The population of the members is around 7 million.
Several of its members were George Washington and Norman Vincentpil(founder of positive cosideration method).

The Jesuit became head of this secret organization and economies and most of organization are controlled by Jesuits.



The Jesuits General asked the Pope to build up the new organization and Pope allowed.

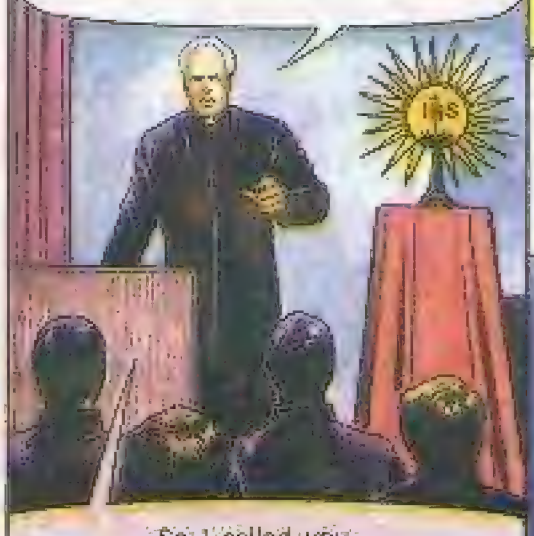
- 1882, occult Tueocracy by Lady Queenborough p.550

"And the Jesuits General summoned all the Jesuits agents and special men from all over the world."

We need a more specialized

organization to keep Roman Catholicism and to get rid of

Protestants and heathens.



So I called you.

As a result the Knights of Columbus was organized. This organization's purpose is as follow : The first, the guard of the Pope's right and the second, engaging themselves in many fields as the politics, economy, education, military and killed the Protestants and the Pagans. Though these persons have high personality they thoroughly follow the Roman Catholics' teaching. They penetrated into many fields of society.

I, ... now in the presence of Almighty God, the blessed Virgin Mary, the blessed St. John the Baptist, the Holy Apostles, St. Peter and St. Paul, and all the saints, sacred host of Heaven, and to you, my Ghostly Father, the superior general of the Society Jesus(Jesuits), founded by St. Ignatius Loyola,

Holy pope is in the place of God and the head of all Catholic churches over the world. The pope has the key of heaven that Jesus has given to him to be used to destroy all heretic Kings, government, and societ.

he hath power to depose heretical kings, princess, states, commonwealths and governments, and they may be safely destroyed. Therefore to the utmost of my power I will defend this doctrine and His Holiness's right and customs against all usurpers of the heretical or Protestant authority whatever, especially the Lutheran Church of Germany, Holland, Denmark, Sweden and Norway, and the now pretended authority and Churches of England and Scotland.

and the branches of same now established in Ireland and on the Continent of America, and elsewhere and all adherents in regard that they may be usurped and heretical opposing the sacred Mother Church of Rome.

"I do now denounce and disown any allegiance as due to any heretical king, prince or state named Protestant or Liberals, or obedience to any of their laws, magistrates or officers."

"I do further declare that the doctrine of the Churches of England and Scotland, of the Calvinist's, Huguenots and others of the name of Protestants to be damnable, and they themselves to be damned who will not forsake the same."

They're explaining to the applicants about Roman Catholic's major teachings in Columbian Squires, New Haven
The youth in white shirts are new applicants in the photo.

"I do further promise and declare that I will have no opinion or will of my own or any mental reservation whatsoever, even as a corpse

or cadaver , but I will unhesitatingly obey each and every command that I may receive from my superiors in the militia of the Pope and Jesus Christ. That I will go to any part of the world wheresoever I may be sent, tho frozen regions of the north, jungles of India, to the centres of civilization of Europe, or to the wild haunts of the barbarous savages of America without murmuring and repining and will be submissive in all things whatsoever is communicated to me."

"I do further promise and declare that I will, when opportunity presents, make and wage relentless war secretly and openly, against all heretics, protestant, as I am directed to do, to extricate them from the face of the whole earth and that I will spare neither age, sex, or condition,

and that I will hang, burn, waste, boil, flay, strangle, and bury alive these infamous heretics: rip up their stomachs and wombs of their women and crush their infants' heads against the walls in order to annihilate their execrable race.

cursed heresy(Christian). Until it disappears from the earth,we will continue doing it. We will povide all the materials for destroying such as rope to strangle, poisoned cup, and knives when it not offical and whowever they are even they are in the high class they will be destroyed.

In confirmation of which I hereby dedicate my life, soul, and all corporal powers, and with the dagger which I now receive I will subscribe my name written in my blood in testimony thereof and should I prove false or weaken in my determination, may my brethren and fellow soldiers of the militia of the Pope cut off my hands and feet and my throat from ear to ear, my belly opened and sulphur burned therein with all the punishment that can be inflicted upon me on earth and my soul shall be tortured by demons in eternal hell forever."

That I will in voting always vote for a K of C. in preference to a Protestant, and that I will leave my party so to do that if two Catholics are on the ticket I will satisfy myself which is the better supporter of Mother Church and vote accordingly.

"That I will not deal with or employ a Protestant if in my power to deal with or employ a Catholic. That I will place Catholic girls in Protestant families that a weekly report may be made of the inner movements of the heretics."

"That I will provide myself with arms and ammunition that I may be in readiness when the word is passed,or I am commanded to defend the church either as an individual or with the militia of the Pope. All of which, I, ... do swear by the blessed Trinity and blessed sacrament which I am now to receive to perform and on part to keep this, my oath."

The Knights of Columbus sent by a Catholic bishop as the 50th anniversary of the founding of the Knights of Columbus.

THE POPE AND THE WHITE HOUSE

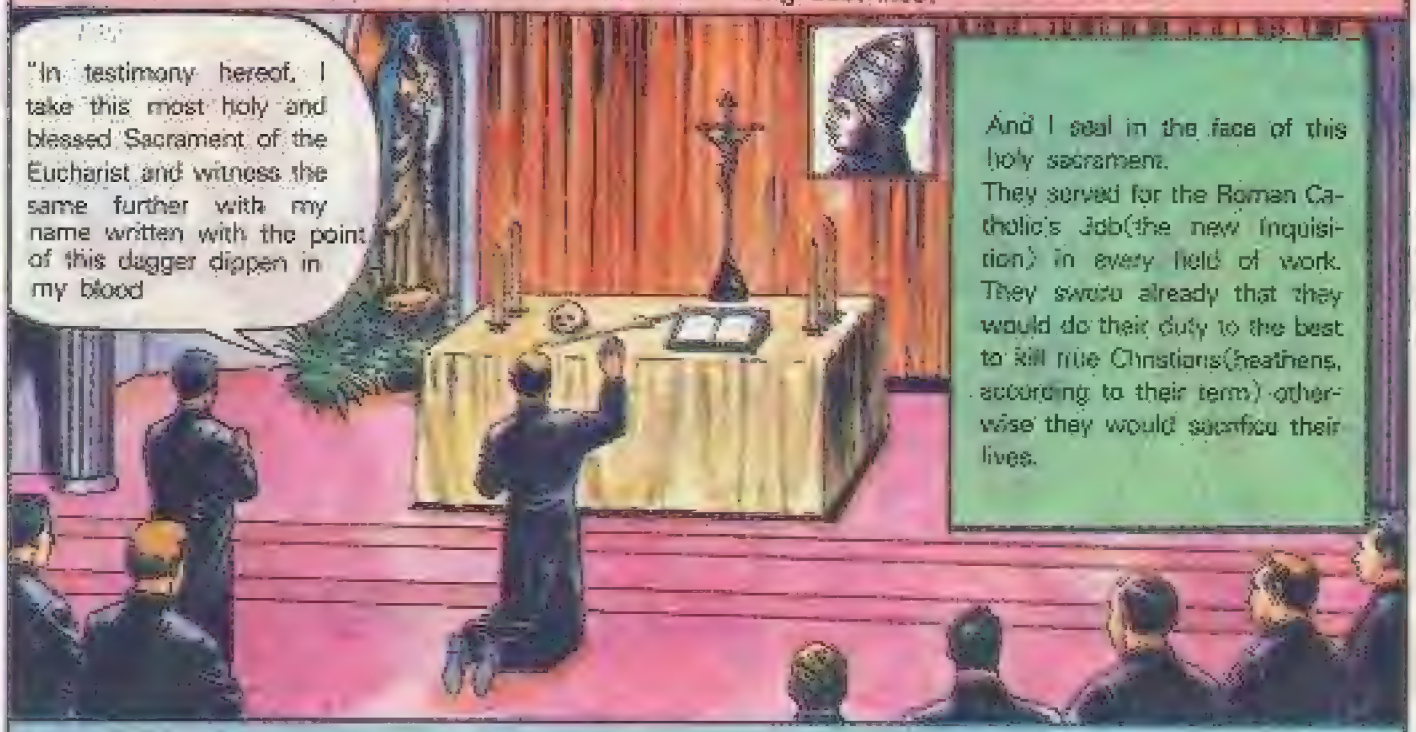
"It must have been hard on General Miles when he stood on the stand for the unveiling of the Columbus statue in Washington to see the knights of Columbus pass by in parade. The swords of the fourth degree men must have convinced him that the order is but waiting the opportunity to cut a path for the Pope into the White House." - The Tablet (Roman Catholic) of Brooklyn, N.Y., issue of June 15th, 1912.

ASSASINATIONS ALL BY CATHOLICS

April 14th, 1865 - President Abraham Lincoln was murdered by John Wilks Booth, who acted under direction of a conspiracy of Roman Catholic priests, Mary E. Surratt, at whose house they frequently met and all others connected with the plot, were Roman Catholics. Feb. 3 rd 1914 - William Black, was shot and killed at Barshall, Texas, by John Rogers, contractor and John Copeland, banker, all Roman Catholics and Knights of Columbus.

Klark Butterfield was killed by a member of secret organization of the Knight of Columbus in hospital.

Under the control of Jesuit's General, the Knights of Columbus mergered many organizations to prepare the new Inquisition. They infiltrate into every field of work and can kill the pre-priests and pra-nuns with disguising the accident when they left Roman Catholicism and disclose the wrong doctrines.

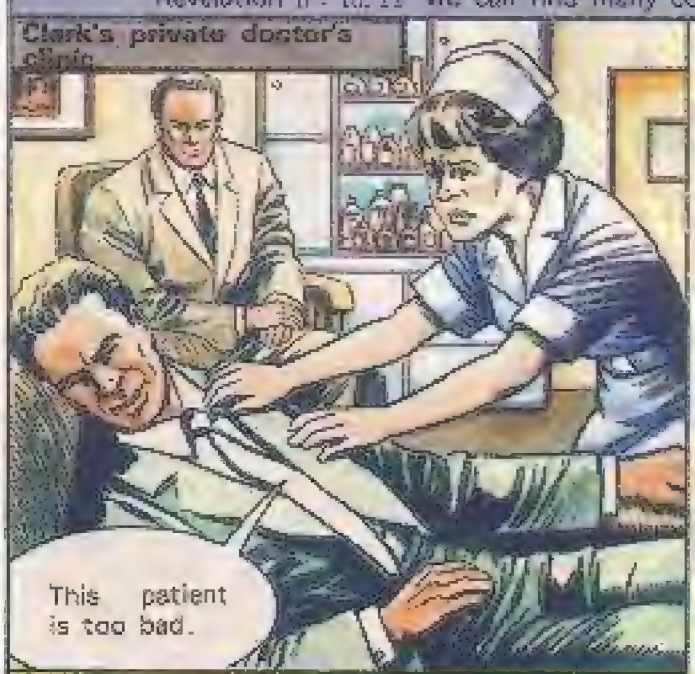


"In testimony hereof, I take this most holy and blessed Sacrament of the Eucharist and witness the same further with my name written with the point of this dagger dippen in my blood
And I seal in the face of this holy sacrament.
They served for the Roman Catholic's Job(the new Inquisition) in every field of work. They swore already that they would do their duty to the best to kill true Christians(heathens, according to their term) otherwise they would sacrifice their lives.

They are working for holocaust and have killed Christians over the world and now are killing, and are preparing the greater Holocaust in the near future.

*Request tape : "The other side of the Knight of Columbus"

Clark Butterfield was killed by such the oath of the Knight of Columbus. John sent a letter to Alberto how Clark died. Directly or indirectly---The power of darkness were behind, he was used by them, knowingly or unknowingly. We pray for God's justice. *Revelation 6 : 10, 11 We can find many contradictions in his letter and behavior.



"Clark's too bad and I(John) took him to his private doctor.
The doctor was busy taking care of an emergency patient.
I took Clark to the waiting room"

And the nurse said to doctor···
Doctor, Clark Butterfield is too serious.
I'll write down the prescription and give an injection to him.

One strange thing here when doctor heard that Clark's too serious, he didn't see him and wrote down the prescription.
This is the plot to kill him, we think.

The nurse gave an injection to Clark as the direction of the doctor. And a few minute later Clark fell down to the floor.

Doctor, come quickly!

Then, Clark's private doctor took him to ambulance and sent him to "Botsford General Hospital."

*But Clark was then already in coma when he arrived at the hospital.

First-aid room in the hospital

There can be no medical help to him.

He has been already paralyzed and scientifically he is dead.

Clark got shock by the injection of his private doctor.

Clark was in the hospital in the condition of the brain death a week later the doctor sentenced him "dead"

In U.S.A., a patient when shocked by the injection; there must be a post-mortem examination of the patient's body And they must prove the patient death whether by mistake of the doctor or by other reason. But Clark's private doctor didn't invite the coroner of the Michigan State and didn't hold a postmortem either. This is illegal act.

On hearing Clark was dead, Dr. Alberto requested two things of the government of the Michigan State.
First, I claimed them to do an inquest for dead body and to send me the medical certificate of death. But, the government of state did not answer anything at all.

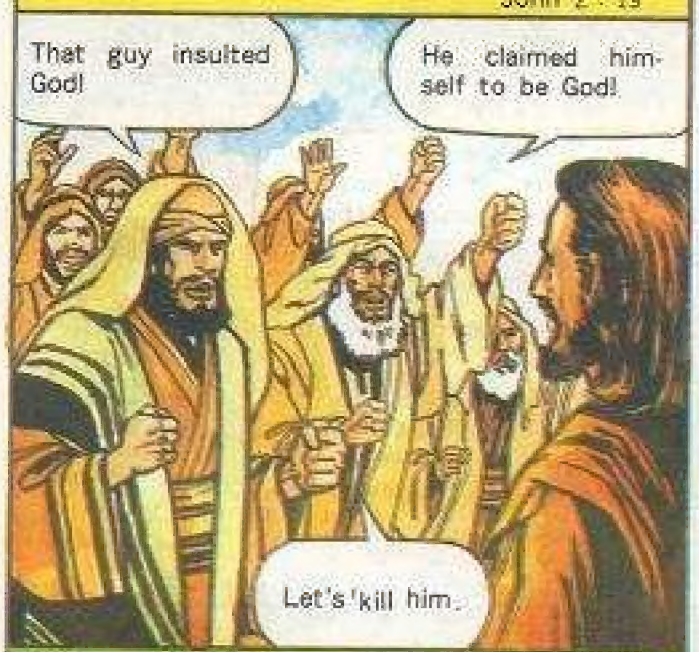
And Alberto asked other Christian in Michigan to send him Clark's certificate of death so Alberto got it.

Alberto let this paper to be shown to other pathologist and he said this certificate is illegal.
The medical certificate must be formed before the death of patient and has to have signature of specific details and the name of doctors with hospital who did works.
But, this one did not even have name of hospital and doctor.

We continue the investigation of the hospital, his doctor and the state attorny's office along with the coroner's office.

Let's review some cases among how Roman Catholic gave religious persecution against Christians through the history.

The first martyr of Christianity is Jesus Christ himself. He is called "the Lamb of God*" who was to take all sins of mankind.
*John 2 : 19



Pharisees and Sadducees who were considered to serve God well crossed Jesus who came in the flesh.

After Jesus died on the cross, the first martyr was deacon Stephen.

After Stephen's martyr, there was a great persecution against Christians in Jerusalem, and they were all scattered abroad throughout the regions of Judea and Samaria, except the Apostles. During the time, over 2,000 Christians including Nigaros were believed to be killed.*
* John Fox "the great martyr."

As the year passed, the persecution became severe against Christians and the inquisition judges' power became absolute. Followings are some among them.

The house which is known that heathens live in should be destroyed. The man whether monarch or bishop who hide the heathens should lost his residence and land and title. Heathens* should not be seen to doctors even if they suffer from severe disease.

*'heathens' means Christians which Catholics regard as.

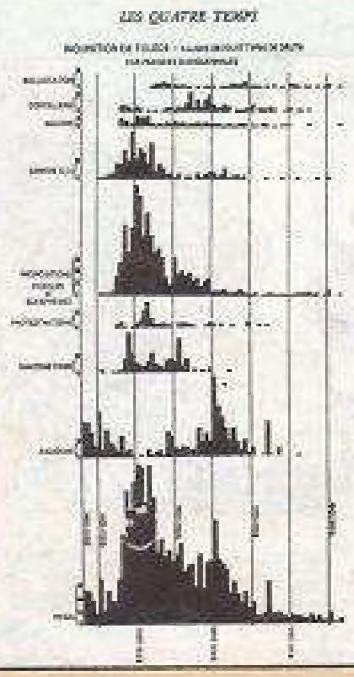
In Ceville, one of the Inquisition in Spain, they burned 298 Christians during only 1481.

Torkmada who was appointed the inquisition's head of the city by Pope Sixtus IV had served as a head for 18 years in the city.

The picture of 1573 May 26th when the holocaust of Spanish Christian happe-ned

*Pictorial History of The World p.245.

The Inquisitions established by Roman Catholic massacred nearly 70 million Christians. The list below shows that.



*BENNASSAR "L' Inquisition Espagnde", 15-19 century 1979, Hachette, Paris.

You've just seen some cases of persecution against Christians in the past. You might think such persecution has been over after the Inquisition closed.

But the new Inquisition was begun by the Knights of Columbus has been practiced until now and in the present time of 20th century, it has its own way.

The Knights of Columbus is now preparing the Greater Holocaust.

This organization will contact any countries' governmenst as much as they can and try to get rid of all the Christian legally It is already happening around the world

The only thing bad is people even Christian are not recognizing

In 1962 through 1965, the second Vatican assembly held and picked new Jesuits members secretly.

Pedro Arrupe reconfirmed the signatures of joint membership of all members.

Nero was the first emperor who persecuted against Christians in the early church. He was a cruel tyrant, fired Roman city and imputed the guilt to Christians.

"…and others were tortured, not accepting deliverance; that they might obtain a better resurrection and others had trial of cruel mocking and scourging, yea, moreover of bonds and imprisonment…" (Heb 11:35-36)

They were stoned, they were sawn asunder, were tempted, were slain with the sword. (Heb. 11:37)

Roman emperors tried their best to destroy Christians who refused to serve their gods, but the number of Christians wasn't diminished. And Dioclesian Emperor began to give more severe persection against Christians.

A fine youth Bitus born in noble family became a Christian by the teaching of the nurse(Crecentia) who took care of him, when he is young.

Jesus died because of your sin!

He is a real gracious being.

His father Hilas failed to make his son to serve pagan's god and accused him to Balerian, the governer-general of Cicylia.

And he suffered a severe whipping and was back to his father

But he didn't leave his faith and was arrested again. He and his nurse Crecentia who taught him to be a Christian together was martyred on the fire.

The historian often said after Constantin's approval of Christianity there was no persecution. But it is not true. By the Roman Catholics in the Middle age, a great number of Chtistian suffered severe sufferings.

That's true. If we are truly born-again Christians, we must be on alert from sleeping. Though all ages, Christians have suffered persecution because of the Gospel. John Wycliff said that Christians must live to be ready for sufferings.

The word are from Satan that Martyr used to be in early church times but in present almost people are Christians and they don't have despotic monachs to burn Christians anymore so that there is no need for Christians to suffer persecution. Faithful Christians are the soldiers on the faith following the commands of Jesus Christ and should rebuke Popes, cardinals, bishops for how to pervert the Gospel and how to do serve persecution against Christians.

Christians must not compromise with untruth and should lead them to Lord Jesus with faith and patience even though they suffered persecution from such conduct.*

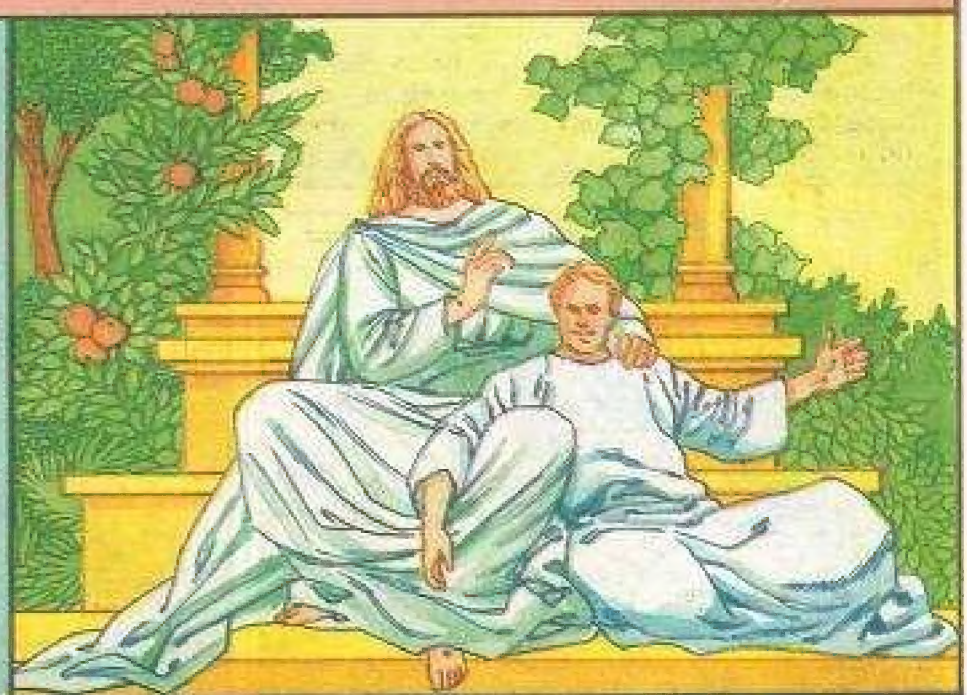
God says his children, "And if children, then heirs; heirs of God, and joint-heirs with Christ; if so be that we suffer with him, that we may be also glorified together." (Rom. 8 : 17)

Clark Butterfield was embraced by Jesus after a week in Bustford General Hospital, May 5, 1981.

Clark knew that he is dying. But he was strong as rock with the name of God,
he tried to proclaim as much as possible until his death.
Now he escaped from Catholicism and headed towards the way of heaven which was
biggest gift of all from God to him.



Are you ready to witness* and join the journey toward the New Jerusalem like Clark Butterfield? Are you truly children of God?
